

Bennetts Leave Oct. 20 For 'World' Trip

A \$291,000 School Levy Is Approved

A tax levy of \$291,000, including \$13,000 for a working cash fund, was voted at a meeting of the Antioch Community grade school board of trustees Tuesday evening.

An educational fund budget totaling \$237,921 was approved as was \$32,450 for a building fund budget.

Major items in the educational budget approved were \$10,620 for office employees, \$160,000 for teachers' salaries, \$2,800 for substitute teachers, \$1,400 for textbooks, \$1,800 for school supplies, \$7,000 for fuel, \$5,600 for light and power, \$2,300 for janitor supplies.

A SUM of \$4,500 was okayed for the school cafeteria program, \$7,000 in transfer funds for transportation, \$9,800 for a new school bus and \$11,000 for contingencies.

It is possible that it will be necessary to spend about \$10,200 for a new school bus. It will depend on how large a one is purchased.

Capital outlay of \$11,620 would go for such items as the new bus, a copy machine, French horn, filling cabinet, science equipment, new set of encyclopedias, 2 record players and 30 classroom tables with formica tops.

The building fund of \$32,450 would include \$17,000 for operations and \$9,970 for capital outlay.

BLACKTOPPING of the Oakland school driveways and parking areas would take about \$8,500, which would be the biggest single capital outlay.

Another \$800 would go for playground equipment at the Oakland school.

Funds for maintenance and services, repairs to buildings and contingencies were included in the building fund.

The board also approved a warrant for \$23,000 in anticipation of tax receipts for educational expenses in the month of September.

A warrant of \$25,500 was voted for the month of October.

Increase In St. Peter's Registration

An increase of 20 children registered at St. Peter's parochial school in Antioch to a total of 400 was reported this week. Last year the registrations totaled 380.

First graders at St. Peter's school totaled 58, second 51, third 52, fourth 56, fifth 55, sixth 44, seventh 44 and eighth 40.

Antioch Township high school this week listed 712 boys and girls, including 193 freshmen, 177 sophomores, 182 juniors and 160 seniors.

Antioch Community grade school reported this week registrations totaling 721, including 458 at Oakland school.

Channel Lake and Grass Lake schools said there had been no change in last week's listings of 151 and 144 students respectively.

An increase of three students over last week was reported at the Emmons school, where registrations now total 76.

Let's Take A Look!

Q. WHAT IS THE HIGH SCHOOL'S GREATEST NEED?

A. More space. When we approved the last addition to the high school in 1950, it was to raise the building's capacity to 600 students — the enrollment we expected in 1958. Actually we had more students than that in 1957. We now have 705 students and our enrollments are rising rapidly. We must have larger facilities, or education will suffer a severe setback in our district.

Q. Is Our Need Restricted to Classrooms?

A. No. We certainly do need more classrooms, but almost all of our present facilities are overtaxed. The library is only half as large as it should be. The science laboratories are inadequate and outdated. The cafeteria is already operating in four shifts, and it is at capacity. The homemaker department has no classroom or lecture room. The locker rooms have no space available for additional lockers, and the shower facilities are greatly overtaxed. The study hall can accommodate only about half the required number, so we have had to use three classrooms for study halls.

In short, EVERY department needs more space.

Q. Isn't our Enrollment Problem Only Temporary?

A. No. The post-war baby boom hasn't even reached high school yet, and our enrollments have more than doubled since the last building program was approved. Within eight years our enrollments will double again. Here are the figures:

1951	330
1955	466
(today) 1959	705
1963	1057
1967	1612

The problem is critical for those students now in high school — and there are 37 per cent more eighth graders this year than there were last year. The children presently in the upper grades are the ones who will feel the greatest pinch of overcrowding.

Q. How Do Our School's Shortcomings Affect Our Community And Its People?

A. Our Children — Their education is being limited in direct proportion to the conditions we parents allow to exist — a situation that will become even worse with each succeeding year. The most serious problems exist at the most important and formative years of our children's mental, physical and social growth. Educators have proved serious impairment in the education of the average child in crowded classrooms.

Our Teachers — they are limited in offering to the students the services of which they are capable. Inadequate and overcrowded facilities make it harder to retain competent teachers, and we are finding it increasingly difficult to attract and (continued on page 5)

Main Street Paving Work In Progress

Antioch's Main St. business houses and residences could have little to protest about in the speed with which a Lake Bluff firm paved Main St. Monday and Tuesday.

However, there were some protests last Saturday when a sealing coat was applied to the thoroughfare on one of the busiest days of the week for local merchants.

Persons having to cross Main St. last Saturday picked up sand and other grit from the newly oiled surface. Earlier crews from the Peter Baker & Son Co., which had the contract for resurfacing, had taken out old blacktop and smoothed out the surface.

Crews putting on the seal coating of oil Saturday started about 6 a.m. before many businessmen were at their stores. The men were done with the sealing work before 8 a.m.

Monday and Tuesday of this week a crew of a half dozen men plus some trucks with their drivers completed re-surfacing the street from North Ave. to route 173.

Parking was prohibited on Main St. for several hours to help keep the apparatus laying the bituminous concrete progressing with few interruptions.

An almost continuous stream of large capacity trucks kept filling the hopper of the pavement laying machine.

Result is that after roller had smoothed off the surfaces that Main St. looks somewhat different from the bumpy pavement that once was being used.

Local Men Talk To Grand Jury

Mayor Murrill Cunningham of Antioch told the Lake county grand jury meeting in Waukegan Monday that he knew of no gambling or pinball machines in Antioch.

Others from Antioch testifying were police chief Walter Scott and officer Emil Ehnert.

The grand jury has been hearing evidence by civic leaders in several Lake county communities on these subjects.

Two county pinball machine operators were indicted for operating illegal gambling equipment and were arraigned on these charges Tuesday.

Indicted were Orival E. (Slim) Borst of Waukegan and Arthur (King) Haas, Benton Township. Bonds were set at \$2,000 a piece by Circuit Judge Bernard M. Decker.

WILL BE DEDICATED. This structure (Memory hall) and a similar one (Friendship hall) will be dedicated in ceremonies Saturday afternoon, Sept. 19 on the campus of the Central Baptist Children's home, Lake Villa. The two buildings had been under construction since April, 1958 and were occupied by girls on Aug. 15 of this year. Anyone interested in the welfare of children and in the program of child-caring institutions will be welcome to attend. A tour of inspection will be a highlight of the day starting at 2 p.m.

Wildwood, Lotus Woods News Added to Paper

The ANTIOCH NEWS this week adds another column to its printed pages with news from the Wildwood-Lotus Woods section of Lake County.

It will be found on page 10 this week.

Mrs. Jean Wrons is the correspondent in that section and may be reached by phone at Justice 7-6082.

Correspondents in other communities in this area are being obtained by the ANTIOCH NEWS in a further work by this community NEWSpaper to give the Lakes region complete coverage.

Church Plans Anniversary

Antioch Methodist Church will mark its 80th anniversary next month with a special service on Oct. 11 and an all church dinner on Oct. 8.

The special church service will be at 11 a.m. and the dinner is scheduled for 6:30 p.m.

The latter will honor those who have been members of the local church for 35 years or more. Twenty-three persons are believed to have been members this long.

Tickets for the dinner will be on sale at the door.

J. Ralph Magee, retired bishop of the Chicago area of the Rock River conference, will be the speaker at the Sunday morning service.

No One Bids For School

No bids were heard Tues. morning when an auction was held to sell the old Oakland school building and its equipment east of Antioch, although 14 or 15 persons were on hand for the event.

The Antioch community grade school board was told at its monthly session Tuesday evening that several present for the auction said they would not bid because the 60 day period for removing the building was not a long enough time for the job.

The structure was to be removed from the school site at the northwest corner of the Deep Lake and Loon Lake roads. The land was to be retained by the Antioch Community Consolidated School Dist. 34.

Atty. Ted Larson was told by the board Tuesday night to ask the Lake county board of school trustees to increase the number of days for building removal. The local trustees suggested 10 months for the job.

If the county board approves there would be another auction, with the date to be announced.

Baptist Home to Dedicate New Cottages on Saturday

LAKE VILLA — A service of dedication for two new girls' cottages will be held at the Lake Villa Campus Saturday, Sept. 19, at 2 o'clock.

The service will be conducted by the president of the board of directors, Mrs. A. J. Richardson of Evanston.

Dr. O. H. McDonald, secretary of the division of institutional ministries, American Baptist Home Mission societies, New York, will give the dedicatory address.

Other persons taking part in the ceremony will be:

Dr. W. A. Diman, executive secretary, Chicago Baptist association; Rev. R. C. Johnson, Pastor, First Baptist Church, Waukegan; Dr. C. C. Knapp, Pastor, First Baptist church, Evanston; Mr. and Mrs. Robert J. Dvorak, in charge of music, Westchester Baptist Church, and Rev. Paul R. Shaub, executive director, Central Baptist Children's home.

The two buildings dedicated in this service have been under construction since April 13, 1958, and were occupied by girls on August 15, 1959.

Each building contains double room accommodations for 12 girls, a houseparents' apartment, an isolation room, a living room, a fully equipped kitchen, dining room and recreation room.

A heating plant producing radiant heat is included in each cottage. Furnishings have been supplied by private and group gifts.

The architect has been the Howard J. Uebelhack, deceased, of National Plan Service, Inc., Chicago, and the builders, A. H. Viren & Sons, Inc., Berwyn, Ill.

The building committee and the furnishings committee have been

made up of members of the board of directors of the home, with Mr. and Mrs. H. C. Goetsch as chairmen of the respective committees.

Gifts for these advances for the care of children and young people have been received over the past four years from American Baptist churches in the states of Illinois, Indiana, Iowa and Wisconsin, and from the churches of the Chicago Baptist Association.

All persons interested in the welfare of children and in the program of child-caring institutions are welcome to attend this service of dedication to take the tours of inspection and to see the entire 30 acre campus and other accommodations which the Central Baptist Children's home provides.

Hospital Board To Meet Tues.

"Happy Birthday" to the Countryside Hospital association, for it is one year old.

The association's board of directors and any others interested will meet at 7:30 p.m. Tuesday, Sept. 22, at the Lake Villa grade school, route 132 and 21-83.

Harry Morgan from Chicago, an architect from a firm that handles only hospital building, and Mr. Schad of the architectural firm of Ekstrand, Shad & West of Waukegan, will discuss the size and structure of the proposed Countryside hospital.

Anyone interested in the hospital and its work will be welcome to attend.

Local Couple Will Return About April 1

"We're off to see the world," to paraphrase an old song of some years ago.

Or that will be the theme song of Mr. and Mrs. Corwin L. Bennett of Antioch come Oct. 20 as they start out on a five-month journey by almost every means of transportation available.

The proprietors of the local Dairy Queen drive-in will cover 30 to 40,000 miles by tramp steamer, plane, horseback, mule — you name it between the first of next month and next April.

In fact they expect to return to Antioch just about in time to reopen their place of business on Main St.

The couple will go by plane to New York City, where they will board a tramp steamer called "The African Lightning" for Cape Town in South Africa.

While Cape Town is down for the first "official" stop of the boat, being a tramp steamer it may call at other ports along the way, as its type of business calls for it to drop anchor or tie up when and where it can pick up or discharge a cargo.

A TRIP of 5,000 to 6,000 miles across Africa from Cape Town to Cairo, Egypt, will be the next journey on the itinerary for the Bennett couple.

On this it is likely they will use most every means of locomotion imaginable from horses to motor cars and planes.

Side trips with guides are on the agenda while crossing this dark continent with the whole journey north expected to take a month.

The Bennetts will board a ship at Cairo on their way to Japan via the Suez canal, India, Ceylon, Singapore, the Philippines, Bali and intermittent stops, what ever they might be.

They will leave the boat at Singapore and fly to Baku in the country of Indonesia, considered by many travelers as one of the most beautiful nations in the world.

Manila in the Philippines will be the next stop after Bali and again a plane will provide the means of transportation.

THE ANTIOCH couple will meet a ship at Manila to take them to Hong Kong and thence to Japan. They hope to spend three weeks in the latter country seeing something of the people and the nation.

Another boat will meet them at Yokohama, Japan, for the journey home to Antioch via Honolulu and San Francisco.

Bennett said they don't plan to spend much time in Honolulu or the Hawaiian islands.

Color movies and still shots will be taken during the long trip around the world.

He pointed out that most tramp steamers such as they will be using during the five months carry as many as 15 passengers so they expect to make many new friends aboard ship as well as ashore.

Three years ago the Bennetts were visiting in South America.

Pilot Course Is Scheduled At Fox Lake

FOX LAKE — Annual free piloting course of the Waukegan Power squadron, a unit of the U.S. power squadron, will be given at the American Legion hall, Fox Lake, beginning Monday, Sept. 21.

The same course is being given at the Waukegan Yacht club starting this week Monday, Sept. 14.

Nine members of the Fox Lake area, together with three women certificate holders already have been graduated from the Fox Lake course, leaders said.

Object of the squadron is to establish a high standard of skill in handling and navigation of small boats.

The course, which is given without charge, is limited to 70 persons, who must be at least 16 years of age. Both men and women will be welcome to attend.

It includes a series of eight lectures, followed by a written examination. Students passing the exam are awarded a certificate and invited to join the power squadron.

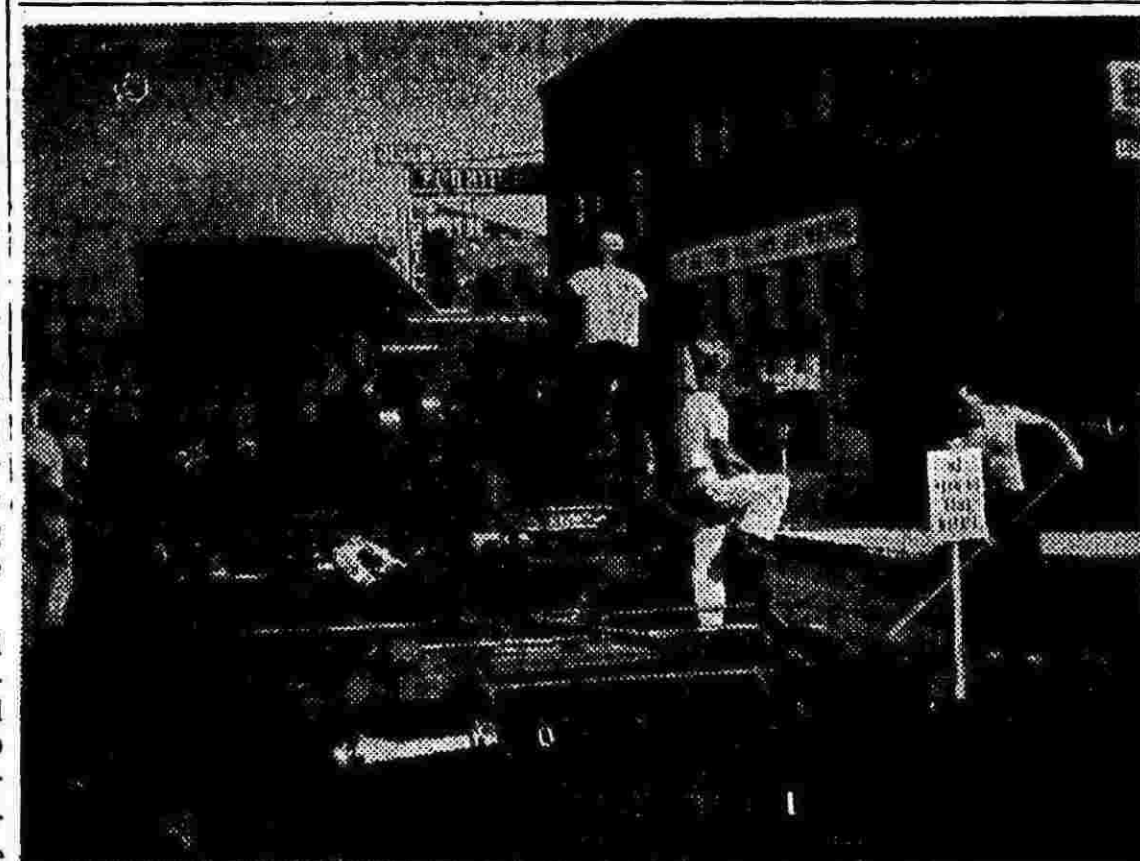

Initial registration on Sept. 21 in Fox Lake will be held at 8 p.m.

Officers of the Waukegan group are Fred Eickert, Grayslake, commander; James E. Rhines, Lake Elsie, secretary; Ervin W. Knockik, Deerfield, lieutenant commander; Elmer L. Fowles, Antioch, treasurer.

Band Plans Trip

The senior band at Antioch Community grade school will attend a concert by the U. S. Marine band to be held in Waukegan on Sept. 25 with the Band Parents association paying for the tickets.

Students will go on school buses and there will be chaperones. Concert is scheduled for 2 p.m.

PAVING THEIR WAY along Main St. in downtown Antioch Monday morning were these men from the Peter Baker & Son Co. of Lake Bluff who have the contract from the state of Illinois for resurfacing of the street from route 173 to North Ave. One lane (shown in back of sign) already had been laid down by this machine, trucks, roller and manpower. One side of Main St. was to be completed before moving to the other side. Parking was being prohibited on the east side of Main St. for some distance. Steeple of the Methodist Church shows in the deep left background.

DEAR READER News Editorials

Improvements

Sometimes improvements are barely noticeable to the person who hardly has time to notice things about him, but in the case of our Main street in Antioch that is hardly the case. For quite some time now the city fathers have tried repeatedly to have its surface smoothed and the bumps removed. At long last it is a reality. The state finally got around to it and last Saturday they began the task of re-surfacing its entire length through the village.

Everyone seems to be quite happy over the results although the oily-tarry smell did offend and also soil. Mrs. Pedersen was forced to close her bakery for a day on account of the oily odors which persisted in permeating the delicacies of her bread and pastry. But she did it with a smile and apologized to her customers for the "tangy" taste which was definitely not a product of the culinary art. However, since Pedersen's ordinarily turn out quality products everyone knew and understood that it was just another chalk-mark up for progress.

Progress sometimes calls upon all of us to make sacrifices in one way or another. To gain, one must sometimes lose a bit. But the "bounce-back" is always worth the temporary "slip back" that we must undergo while gaining ground. So we are glad to have a new Main Street especially with winter coming on and therefore we'll soon forget the dirty floors and tangy air experienced for awhile as long as we can smile in the long run.

Mr. and Mrs. Garrett Trout returned home from their vacation, they were guests at the home of Mr. and Mrs. Dean Syures at Opa-Locka, Florida and Mr. and Mrs. William Wayland of Braidenton, Fla.

Mr. and Mrs. Robert Nelson and daughters of Round Lake were Sunday dinner guests of Mr. and Mrs. Charles Lucas.

Mr. and Mrs. Glen Hausen and son Kevin of Hickory were callers at the home of Mr. and Mrs. Frank Hauser, Sunday afternoon.

Mrs. Robert Erwin of Waukegan was a caller at the home of Mrs. Frank Edwards Friday afternoon.

Mrs. William Paulsen and daughter Judy called Friday at the home of Mrs. Paulsen's sister Mrs. Clifford Jahn at Batavia, Ill.

Mr. and Mrs. Oscar Neahous returned home Saturday after spending several days at the home of their daughter Mrs. Tom Cosgrove at Elmhurst.

Mr. and Mrs. Vernon Stahnke and daughters of Arlington Heights were supper guests of Mr. and Mrs. Leslie Bonner Sunday evening.

Miss Judy Paulsen returned to Evanston after a three weeks vacation with her parents Mr. and Mrs. Wm. Paulsen.

Mrs. Harley Clark and son Glen spent Sunday evening at the James Bonner home in Kansasville, Wis.

Mrs. Frank Hauser with her daughter Mrs. Orville Hairrell Jr. of Waukegan called on the former mother Mrs. Anna Hoff of Milwaukee who is ill at the home of Mrs. Florence Raymond.

Chamber To Meet

A dinner meeting of the Antioch Chamber of Commerce will be held at 7:30 p.m. Monday, Sept. 21 at Smart's country house.

During the business session, members will discuss plans for another "number hunt", will see a sneak preview of the new street decorations and will discuss plans for a return of Santa Claus to Antioch.

Victor Hooks Feted

Mr. and Mrs. Victor Hook of Felter's Subdivision were honored on their 35th wedding anniversary by William and Agnes Ovis of Chicago who paid them a surprise visit. The visitors took the Hooks to the Honeybear farm in Wisconsin for dinner to help mark the event.

Tree Seedlings Are Available

Orders for seedlings are being accepted from landowners until April 15 by the Illinois department of conservation's division of forestry.

The seedlings, including multiflora rose, are available in lots of 500 or more and are not to be used for landscaping purposes, although good trees and multiflora hedges do improve the landscape.

Order blanks may be obtained from the Springfield office, district foresters and most county agricultural offices.

Orders should be sent to the Division of Forestry, 106 State Office building, Springfield, Ill., with checks made payable to the department of conservation, division of forestry.

The Mason nursery at Topeka has black locust, black walnut seed, cottonwood, Osage orange, soft maple, jack pine, red cedar, red pine, white pine and red pine transplants.

The Union nursery at Jonesboro furnishes ash, black locust, cottonwood, multiflora rose, red gum, sycamore, tulip poplar, bald cypress, loblolly pine, Scotch pine, shortleaf pine and white pine.

Scout Leaders Meet

Troop 92 of the Antioch Boy Scouts held its regular meeting at the Antioch Moose hall last Monday evening. Sessions will be held there until repairs can be made to the scout house, scribe William Elsey reported. The scout house was damaged by fire last month.

DEATH NOTICES

JACK WOLFF
Masonic funeral services for Jack Wolff, 67, of highway 59 and Grass Lake road district, were conducted Sept. 9 at Strang funeral home in Antioch. Burial was in Grass Lake cemetery.

Mr. Wolff died Sept. 6 at the Lake County General hospital. He had suffered a stroke on Aug. 20.

He was born Oct. 27, 1891 in Chicago and came to Antioch 30 years ago. He was a retired engineering machinist for General Electric and at the time of his death was proprietor of Jack Wolff's Bait shop at Nielsen's Corner.

Mr. Wolff was a member of Cornerstone lodge no. 875, A. F. & A. M. of Chicago.

Surviving are a brother-in-law, Bert Pennington of Tampa, Fla., and a nephew, Louis Wolff, Chicago.

ARTHUR E. HANSEN
Funeral services for Arthur E. Hansen, 79, of the north shore of Loon lake who died Sept. 6 at Victory Memorial hospital, were conducted Sept. 8 at Strang funeral home, Antioch.

The Rev. Wallace Anderson conducted the services. Monday evening Masonic rites were held. Burial was in Hillside cemetery.

He was born July 31, 1880 in Horton, Norway, and came to this country in 1882. He lived in Chicago until 12 years ago when he moved to Antioch. Mr. Hansen has spent summers here for 47 years.

Mr. Hansen married Hattie Metcalfe on May 3, 1902 in Chicago. He was a member of Lakeview Masonic lodge no. 774, A. F. & A. M. He was a retired flat janitor of Chicago and later worked for five years for Sparkler Manufacturing Co., at Mundelein.

Surviving are his widow, Hattie; one son, Earl E. Hansen of Waukegan; a daughter, Mrs. Alice H. Rupert, Antioch; a brother, Edward Hansen, Chicago; a sister, Miss Jeanette Hansen, Chicago, and two grandchildren.

ALEXANDER (ALEX) G. HUGHES
Funeral services were held at 1:30 p.m. Saturday at Strang funeral home, Antioch, for Alexander (Alex) G. Hughes, 71, of Deep Lake road, who died Thursday at his home after a lingering illness.

The Rev. L. H. Messersmith of the Millburn Congregational church officiated. Burial was in Home Oak cemetery.

Mr. Hughes was born on Feb. 25, 1888 on the same farm where he passed away. He had lived there all his life.

He was graduated from the University of Illinois in 1910. He was a member of the Pure Milk association, the Lake County farm bureau and the Millburn Congregational church.

His wife, Mabel, preceded him in death on Nov. 30, 1956.

Surviving are one son, Robert C. Hughes of Antioch; six daughters, Ruth (Mrs. Herbert) Wilton, Zion; Jean (Mrs. James) Walker, Roseville, Mich.; Phyllis (Mrs. Warren) Erickson, Antioch; Miss Sally Hughes, Chicago; Joan (Mrs. Harry) Stewart, Antioch; one brother Harold D. Hughes, Ames, Iowa; one sister, Ruby (Mrs. John) Tothill, Anstruther, Scotland, and 17 grandchildren.

EARL L. BAUMAN

Earl L. Bauman, 43, of Milwaukee, Ore., formerly of Millburn, died in the Oregon city Monday. He was an insurance agent for the Farm bureau at Milwaukee, Ore.

Mr. Bauman was born March 29, 1916 in Waukegan, moved to Millburn in 1927 and to Oregon six years ago.

Surviving are his mother, Mrs. Anna Bauman of Millburn, two brothers, four sisters and four daughters.

Funeral services will be conducted at 1 p.m. Saturday from the Strang funeral home, Antioch, with the Rev. L. H. Messersmith officiating. Burial will be in Millburn cemetery. Friends may call after 7 p.m. Friday.

AUGUST J. KREMER

August J. Kremer, 64, of Cross Lake, Wis., died Monday morning at his home after a long illness.

He was born June 14, 1895 in Chicago and had lived there until 1942 when he came to Antioch. He was owner and operator of Gus and Betty's State Line inn from 1942 to 1957.

Mr. Kremer was a member of the Holy Name Church at Wilmot, Wis. Surviving are his widow, Elizabeth (Betty) Kremer, two brothers, Peter Kremer and William Kremer, Chicago; one sister, Mrs. Anna Schmalz, Chicago; two nieces, Mrs. Robert Hunt, Antioch, and Mrs. Robert Meistner, Chicago.

Services will be conducted at 10 a.m. Thursday from Strang funeral home, Antioch to the Holy Name church, Wilmot, at 10:30 a.m. Burial will be in Holy Name cemetery.

DEAR EDITOR Your Letters

Letters on your opinions are welcomed to this space each week. Equal weight is given on this page to your ideas and the paper's ideas on subject matter. Letters must be signed with complete names and addresses but will be withheld upon request. No letter should exceed 300 words.

Dear Editor:

This is in response to the recent guest editorial published in your paper written by Mrs. Arthur Meyer.

Is it not a fact that the Board of Education has not been nor is being "given" any money but is asking the taxpayers to pay for "a new house on a new lot" while still owning and intending to use the "old house with an empty lot?"

Is it not a fact that the present "old house" is going to be in use for our children for many years to come? It is a fact the old heating plant is antiquated and must, regardless of what is done, be replaced. Is it not true that the cost of one large heating plant sufficient for the present building WITH addition or additions would be cheaper than the cost of a new one for the present building AND a new one for the proposed second high school?

Is it not true that one house is run more economically and efficiently than two houses separated by a few miles?

Now let us be practical. Is it not easier for one person to supervise or govern children who are all in one house than it is if they are in two houses?

Separate houses mean separate and additional supervisory, faculty and maintenance costs. And who has to pay these costs? The taxpayer, of course.

So let us ask again, should the taxpayer be asked to pay for two houses or for one house?

A Taxpaying Mother

To A Tax-paying Mother:
First of all I appreciate your feelings about the use of the word "given" in my last letter. Let us say that a sum of money would have to be available before any type of building plan could be developed, either the addition you suggest or the new one recommended by the High School Board.

It is NOT a fact that the heating plant at the present site is inadequate or would have to be replaced. Only if the building were added on to would this be necessary.

The question of the economy of

operating two buildings instead of one is a good one. Undoubtedly costs would be slightly greater, but certainly never would it be wise to sacrifice Better Education for economy. This High School Board has considered every angle of both situations and feels strongly that for future economy and BETTER EDUCATION, the building of a new school will benefit most the taxpayers and his children.

The amount of supervision and teachers must be dictated by the number of students, not the number of buildings. This is a fact supported by figures.

I do not hesitate to sign my name, for facts and figures I possess, to back any decisions I have made.

Mrs. A. Meyer

Antioch, Ill.

September 14, 1959

TO THE SCHOOL AND ADVISORY BOARD OF THE ANTIOCH TOWNSHIP HIGH SCHOOL:

I, as a land owner, taxpayer and resident of Antioch township, have a few questions I would like answered concerning the proposed new high school.

Being a housewife, I may not be able to understand the legality entailed in such a proposal, by the same token, I consider myself rational and economical. This is the reason I cannot understand why, with the high cost of land, materials and labor, a new site be chosen. There is more than enough room on the front end of the present school building. If necessary, build onto the back, taking in the present athletic field and using the property across the tracks (which is owned by the school) for the field. I presume the cost of sinking a well and drainage, and the price of the property will cost the taxpayers well over \$150,000.00.

This does not sound practical to me. If anyone can give me sound logical answers to these questions, I will cast my vote for a new high school.

Argyle Kennels Fire Scorches Proprietor

Vernon Rider was scorched about the eyebrows and hair early Tuesday afternoon when gasoline exploded in the basement of the Argyle Kennels building east of Antioch.

The fire was extinguished by Rider before firemen with two trucks reached the scene. Some smoke damage was done but the blaze was confined to the basement.

Rider himself with water from a hose quenched the fire.

Three Visit Europe

LAKE VILLA — Mr. and Mrs. Walter Boss and son, Melvin, of Lake Villa have returned from an eight week trip to Switzerland, France and Germany.

While in southern France they visited their son Neel who is with the U.S. Army stationed there.

Scouts Meet Monday

CHANNEL LAKE — There will be a meeting of the committee of parents and leaders of Channel Lake Cub Scouts at 7:30 p.m. Tuesday, Sept. 22, in the Channel Lake school. Financial drive plans will be discussed.

Grass Lake School PTA Schedules Meet

GRASS LAKE — The first fall meeting of the Grass Lake school PTA will be at 8 p.m. Monday, Sept. 21.

This meeting will be an introduction meeting, with Mrs. Wilbert Schaefer, president, presiding.

Sue Stinespring, M. David Cain Married in Double Ring Ceremony

A double ring ceremony at the Crystal Lake Methodist Church united in marriage Sue Stinespring of McHenry and M. David Cain of Antioch on Aug. 16, 1959. Miss Stinespring is the fourth generation of brides in her family to choose this date.

Joseph N. Peacock, director of the Methodist Foundation at Northwestern university, officiated.

The bride is the daughter of Mr. and Mrs. Harry F. Stinespring of Pistakee Bay, McHenry. The groom is the son of Mr. and Mrs. M. C. Cain of 672 Main St., Antioch.

The floor length gown of Italian silk bombazine, fashioned with a sabrina neckline, long sleeves and a full skirt with bustle effect back ending in a cathedral length train, was decorated with applied lace adorned with seed pearls. A tiara held her ballerina veil and she carried a cascade of roses, stephanotis and carnations, centered with a white orchid, entwined with orange blossoms, which was in her mother's bridal bouquet.

The church was decorated in shrimp and white flowers.

The matron of honor, Barbara Marticke (Mrs. Winn C.) Davidson, wore a shrimp colored, lace over satin, gown in new bell-shaped silhouette. Flowers were white and shrimp carnations and stephanotis, and she wore pearl earrings.

Bridesmaids were Miss Pat Bates,

McHenry; Miss Charmaine Stander, Saginaw, Mich.; Miss Nancy Svec, Cicero; Miss Jane Kennedy, River Forest; Miss Winnie Thompson, Clinton; Miss Carolyn Anderson, Salt Lake City, and Miss Elaine Mooney, Pittsburgh.

Miss Libby Stinespring of McHenry, a sister of the bride, was junior bridesmaid.

They were gownned similarly to the matron of honor in shrimp colored, lace over satin and carried cascades of white and shrimp carnations. They wore pearl earrings.

ROBERT CAIN of Antioch attended his brother as best man.

MaMa Marty, Elmhurst, a cousin of the bride, was flower girl. She wore the same color dress as the bridesmaids.

Ring bearer was Roger Meryett, a cousin of the bride.

Groomsmen were Bryan Cain and James Cain, brothers of the bridegroom, of Antioch; Donald and H. Stinespring, McHenry, bride's brothers; Winn Davidson; Evanston; Michael Ray, Berwyn; Arvid Johnson, Chicago and Michael T. Noonan, Webster Grove, Mo.

Four hundred guests attended the reception held in Wesley hall of the church following the ceremony.

Mrs. Herbert Engdahl was in charge of serving. The wedding cake was cut by Becky Schreiber of Birds, Ill.

A string quartet consisting of

Kathleen Angles, Judy Freund, Diane Peroni and Mrs. Lois Bre-feld Rychly, accompanied by Charlene Freund, played music. Irene Keim sang "O Perfect Love."

WILLIAM ANDREWS of McHenry wrote and read a poem signifying the four generation love story. Miss Judy Hans presented copies to the guests.

Satin rice bags in decorated baskets were distributed by Ruth Schreiber, Cary; Gail Goodrich, Park Ridge; Kathy Francke and Lee Varese, McHenry.

Mrs. Raymond Jensen of McHenry and Mrs. Helen Mae Meyu of Glenview were in charge of the guest book. Miss Barbara Lubke and Miss Nancy Thornton, both of McHenry; Miss Karen Koehler, Crystal Lake; Miss Marti Ross, Chicago and Miss Mary Hoffman, Wauwatosa, Wis., served the guests.

THE COUPLE left, after the ceremony and reception, for a wedding trip to Nassau in the Bahama islands.

The bride's going away costume included black eyelet cotton trimmed in white with white accessories and an orchid corsage.

Upon their return they attended a national convocation of Methodist youth at Purdue university before taking up residence at 1714 Jonquil terrace, Chicago.

The bride was graduated from McHenry high school and is in her last year at Northwestern university. The groom was graduated from Antioch high school and Northwestern where he is taking additional courses.

He is a public accountant in Antioch.

MR. AND MRS. M. DAVID CAIN

Patricia Palmer, Eugene Wagner Married at Church in Ingleside

A 5 o'clock ceremony in St. Bede's Catholic Church at Ingleside on Sept. 5 united in marriage Patricia Ann Palmer of Antioch and Eugene Keven Wagner of Ingleside.

The Rev. Father Edward N. Coffey officiated at the ceremony in which the bride was given in marriage by her father.

The bride is a daughter of Mr. and Mrs. Leslie M. Palmer of Antioch. The groom is a son of Mrs. Evelyn Wagner of Ingleside.

A dress of white French chantilly lace over tulle and taffeta featured fitted long sleeved bodice with illusion neckline. The bouffant skirt was styled in chantilly lace with scalloped edges.

The bride's fingertip veil of silk illusion was caught to a crown, studded with rhinestones and pearls to form petals. She carried a white Bible with cascade of stephanotis and baby white orchids.

Janet Rogers was maid of honor and best man was James Casey.

The bridesmaids and the maid of honor each wore rose taffeta street length dresses. The maid of honor carried a colonial bouquet of pink and white carnations.

The bridesmaids had colonial bouquets of white and pink carnations.

Mrs. Phyllis Brauck, sister of the groom; Janice Kiehl, Judy Gossman and Marcia Palmer, sister-in-law of the bride, were bridesmaids.

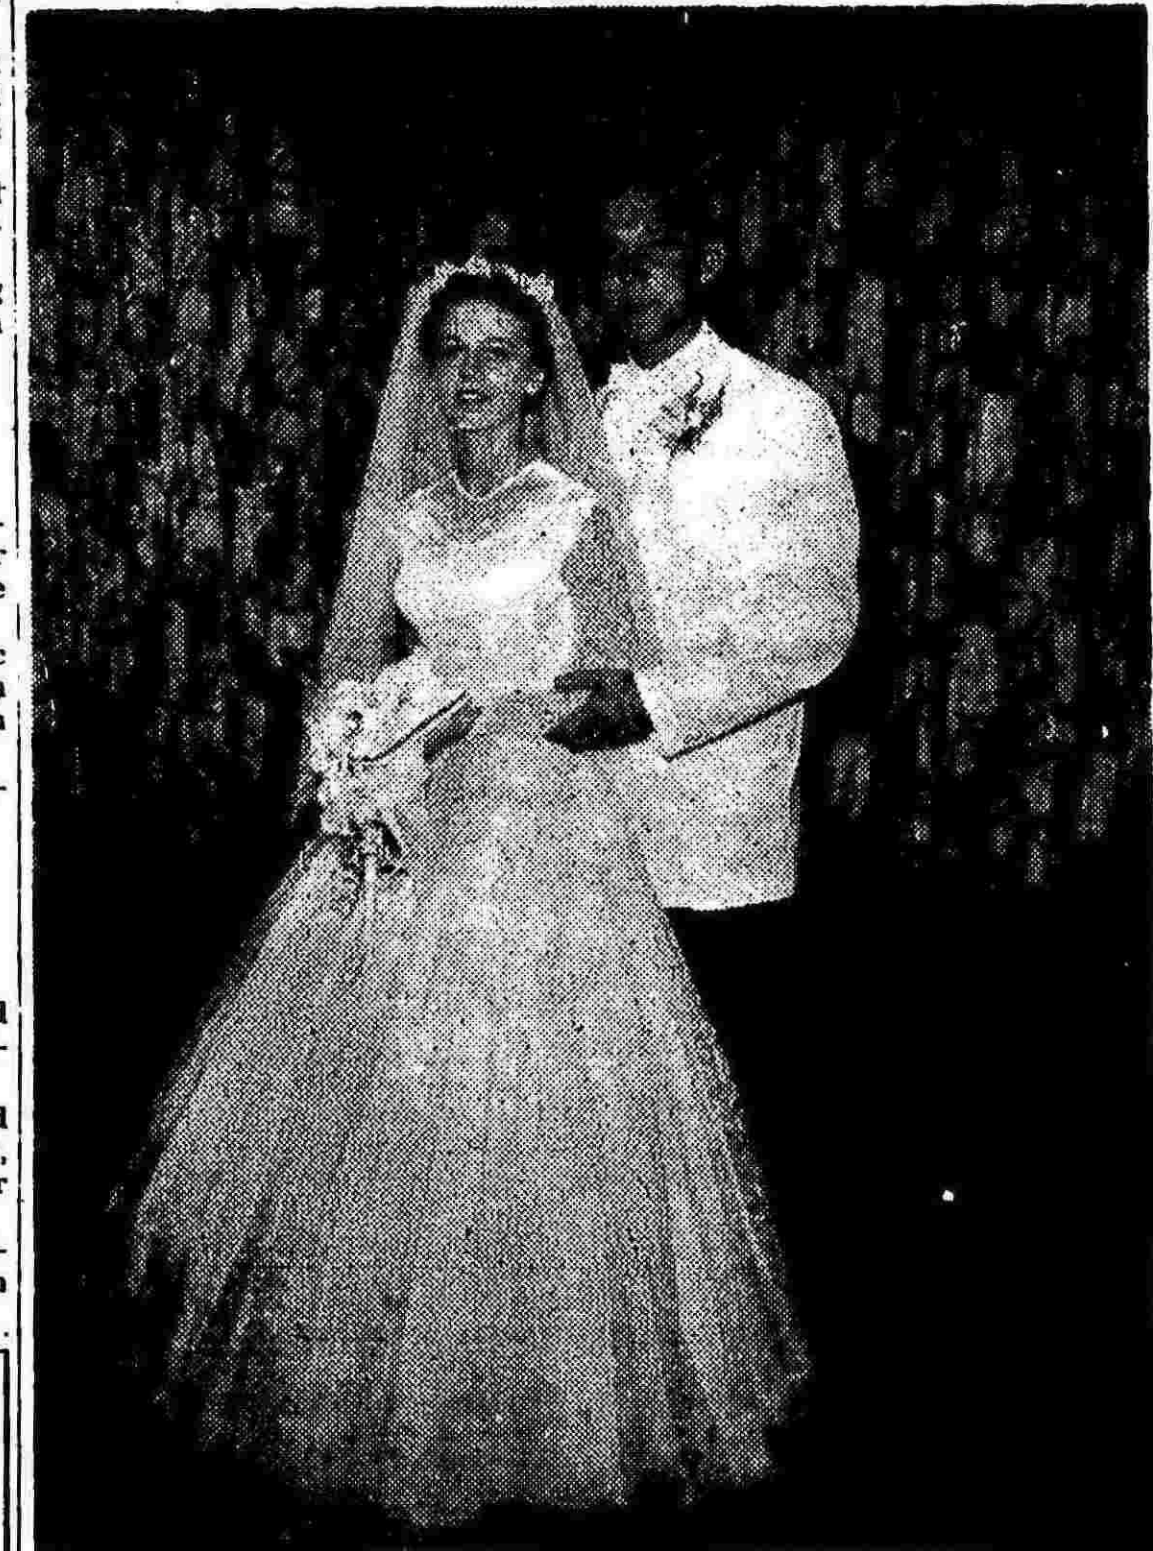

Ushers were Victor Brauck, Robert Irwin, Lee Larson and Jack Palmer.

Cheryl Arnold, a cousin of the bride, was flower girl and was dressed identically to the bride. She carried a communion prayer book with cascade of flowers.

Ring bearer Edward Ambacker is a cousin of the groom.

Following the ceremony a reception was held at the VFW club in Lake Villa.

Following a wedding trip to New Orleans they will be at home after Sept. 19 at Rt. 4, Box 539, Antioch.

MR. AND MRS. EUGENE WAGNER

Making of Top-Quality Pickles Takes Time, But Good Selection, Processing Pays Off

By Mrs. Mary Hubbard
Food Specialist

URBANA — Are homemade pickles worth the time and effort they take? How is a busy homemaker to decide?

The University of Illinois home economics department suggests that you find the answer by taking stock of the product in the home garden, adding the importance of family preference and then dividing by your time and "pickling patience".

Making top-quality pickles is a puttering job, and it is patience as well as exact proportions that counts.

Time is required to select and care for fresh, crisp vegetables and fruits and to find high-grade vinegar, pure salt and fresh spices.

And these are the things that make the difference between good pickles and those that have the appearance and flavor of garden left-overs.

Select the method you prefer for processing the pickles. Most standard cookbooks list both the short and the longer processes in detail.

However, regardless of the method you select, start with product that is firm and fresh. "Twenty-four hours from vine to brine" is a good rule to follow.

Use a modern, up-to-date recipe. Grandmother's recipe may call for too much vinegar. The vinegar of 25 years ago had less acetic acid than today's, and variations in the strength of vinegar are one of the greatest problems in making pickles.

Distilled white vinegar is usually considered first choice for picklemaking, since it protects the color of the food.

However, if you prefer the cider vinegar because of its mellow flavor and aroma, select a quality product.

Pure granulated salt should be used. Flake salt or dairy salt, the kind used for making butter and curing meats, is good. Table salt may also be used, but chemicals have been added to prevent lumping and they tend to cloud or darken the pickles.

Fresh spices are the only ones worth using. The whole spices hold their flavor longer and do not cloud or darken the liquid.

Tie them in a cloth bag for processing, and remove them before you pack the pickles. Otherwise they

may darken the pickles and add an undesirable flavor.

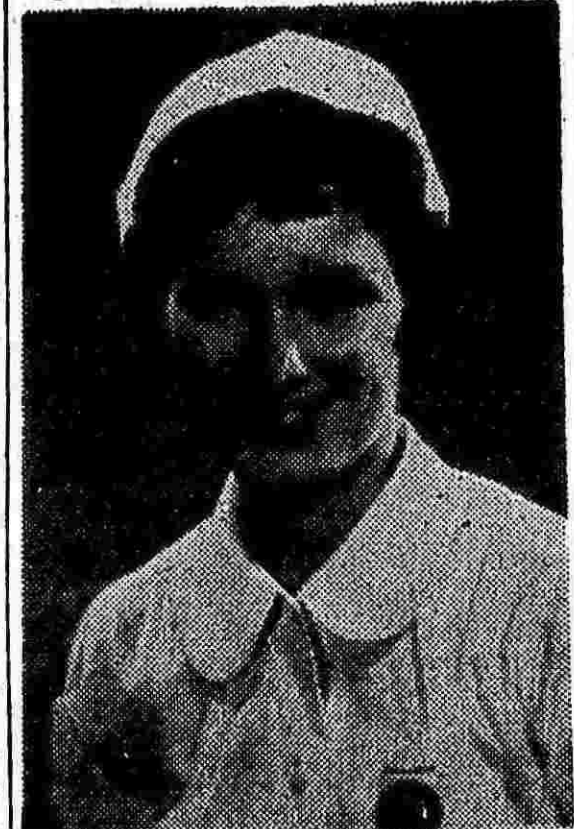

Use enamelware, aluminum or stainless steel containers for heating the pickles.

Do not use copper or iron containers.

Pack them in glass containers with glass lids, and seal them air tight for storage. Keep them in a cool place away from the light.

Miss Maureen Smith Given Nursing 'Cap'

Miss Maureen Smith of Felter's Subdivision, Antioch, received her nursing cap in a ceremony held Thursday from the Illinois Masonic Hospital School of Nursing in Chicago.

MISS MAUREEN SMITH

The ceremony was held at the Wellington Avenue Congregational Church, 615 North Wellington Ave., Chicago.

Miss Smith is a graduate of Antioch Township high school and attended Northern Illinois university before entering nurses training.

Electric costs for home heating are reasonable only when the house is well insulated.

Band Parents Seat New Officers; To Sell Calendars

Officers for the 1959-60 school year were installed when the Band Parents association of Antioch Community grade school held its first fall meeting Monday evening at the school.

Seated were Mrs. Harold Young, president; Mrs. Bernard Thompson, vice president; Mrs. Norvin Stoufel, secretary; Mrs. James Bruhl, treasurer.

Installing officer was Mrs. Richard Whitacre.

Organizations who have not been contacted regarding listing on the community birthday calendar being sponsored by the association, are being asked to contact Otto Hanke, chairman of the committee in charge.

Co-chairmen with Hanke are Mrs. Lad Masek and Mrs. W. B. Gillum.

Ads for the calendar have been sold and many persons already have listed birthday and wedding anniversary dates. Those who have not been listed and wish to do so must sign up before Oct. 1.

Next meeting of the Band Parents association will be Oct. 6.

CARD OF THANKS

We want to thank all our friends and neighbors for their many kindnesses shown during our recent bereavement.

Grade School PTA Will Meet Monday

Antioch Grade School PTA will open its year at 8 p.m. Monday in the school auditorium with a program presented by Mrs. Helen Kopriva of the citizens advisory council and William Brook of the Antioch Township high school board of education.

They will explain the high school referendum to be held on Oct. 10.

Eighth grade room mothers who will head the refreshment committee are Mrs. Frank Feiler and Mrs. Clarence Larson.

Mrs. Frank Kuechenmeister, president, has appointed a hospitality committee headed by Mrs. John Horton, who will be assisted by Mrs. James McDowell and Mrs. William Meyer.

Mrs. Arthur Meierdick, Jr., has accepted an appointment as legislative chairman.

The president has also arranged for a room mothers tea at the school from 3-4 p.m. Tuesday, Sept. 29.

Art Guild To Meet Next On October 1

The Antioch Art guild decided at a meeting Monday evening to change the meeting date to Thursday rather than Monday so that the next official session will be Thursday, Oct. 1.

Grace Strahan will conduct her second lesson in a series of three now being presented by her.

Rosalie Lyons will be showing her paintings at the Antioch library.

Anyone interested in buying a painting from any club member may find them being shown at Harold's restaurant, the Colony House and at Smart's Country house.

Louis A. Bafetti Honored at Party

Louis A. Bafetti of Antioch community, a retired post office clerk-carrier, was honored at a surprise birthday party last Saturday in Chicago. He was 60 years old.

Carriers from Chicago, Rockford and Bloomington really put on a real show with some 200 carriers and post officials attending.

Robert Murphy of Rockford acted as master of ceremonies for the evening festivities.

An annual picnic affair is being planned for one of the Antioch area lakes for next summer.

Annual VFW Dance At LV Saturday Eve.

The VFW Club will hold its Annual dance on Saturday, September 26 at the VFW home on Soo Line Road and Grand Ave.

Dancing will start at 9 p.m. Music will be furnished by the "Rhythm Kings" of Channah Lake. Chairman of the dance is Joseph Botts.

Come and have an enjoyable evening.

Society Notes

Mrs. C. E. Hennings returned home last Friday from Victory Memorial hospital.

Mr. and Mrs. Wendell Nelson and sons, Craig and Steve of La Jolla, Calif., are visiting with S. Boyer Nelson and family in Antioch.

Mrs. Florence Wrigley of Woodstock is visiting the S. Boyer Nelson family on Bishop St.

\$30,800 Voted By Twin Lakes For Road Land

TWIN LAKES, Wis.—A major step in setting up a main street in the village of Twin Lakes was taken Monday night when the village board voted to spend \$30,800 for right-of-way needed to widen county Z through the business district.

The village is buying a strip 30 feet wide and 800 feet long from the Harbaugh Lumber Co. Included in the cost is the razing of two large lumber sheds by the lumber firm.

Thus the village obtained enough right-of-way to widen the main street pavement to 44 feet. It also obtained enough land for a paved parking area south of the street.

The project extends from county EM to county M or less than three-quarters of a mile. The county of Kenosha earlier had agreed to pay the cost of construction if the village would buy the right-of-way.

No construction will start until sanitary sewer work was completed and the right-of-way purchased. The county has \$60,000 appropriated for the construction.

Village officials said the \$30,800 for the land purchase would not increase the taxes. Payments will be spread out over a 10-year period.

H. L. Bristol Dies at Home

Henry L. Bristol of Baraboo, Wis. and a former resident of Antioch, died Wednesday morning at his home after a six months illness.

Mr. Bristol was born in Waukegan on Nov. 28, 1898 and moved to Baraboo in 1951 from Antioch. He was owner of the Bristol Ice and Coal Co. for 15 years and also had been owner of the Fox Lake Riding stable.

Surviving are his wife Nellie (Tiffany) Bristol, two daughters, Genevieve Osmond of Antioch and Blanche Gavigan, Waukegan; a brother, Russell Bristol, Baraboo; a son, Lawrence Bristol, Grayslake; a sister, Jesse Wray, Bunell, Fla.

He and Nellie Tiffany of Fox Lake and Crystal Lake were married at Cary, Ill., in 1913.

Funeral services will be held at Holy Family church, North Chicago, at 9 a.m. Friday. Interment will be Ascension cemetery in Libertyville.

Ensiled corn with moisture levels of 25 to 30 percent was equal in feeding value to corn with a 15 percent moisture level in recent University of Illinois tests. However, the high-moisture corn was not better in feeding value than the other corn.

Lake County Planners to Attend Meeting in Chicago Next Week

Progress and problems in municipal and county planning for the orderly development of the north-eastern Illinois metropolitan area will be presented and discussed at an all-day planning conference, Tuesday, September 22, in the LaSalle hotel.

The conference is being sponsored by the Northeastern Illinois Metropolitan Area Planning commission, an agency created in 1957 by the Illinois legislature to serve Chicago and the six metropolitan counties of Lake, McHenry, Cook, DuPage, Kane and Will.

Dr. Samuel E. Wood, California author, teacher, conservationist and public administrator, will be featured speaker at the 12 noon luncheon session of the conference.

He will discuss the general topic "Who Gains and How... From planning for Metropolitan growth."

Dr. Wood, who has served the California legislature for 20 years as research director of the interim committee on conservation, planning and public works, is widely known for his work in city and regional planning, resources conservation, water problems and governmental studies.

The morning session, beginning at 9:30, will include two panel discussions on (1) the status of metropolitan planning today and (2) local planning law and litigation.

Five afternoon "local problem clinics" will discuss: Zoning, subdivision regulations, annexations-incorporation, flood control and drainage, and water supply and waste disposal.

Panelists will include Paul Oppermann, executive director, NIMAPC; Ira Bach, Chicago planning director; Walter Wiles, municipal attorney; Joseph Merriam, local builder; Howard R. Olson, Associate director, NIMAPC; and Richard Babcock, attorney.

Among clinic chairmen will be: Dr. Gilbert White, chairman, department of geography, University of Chicago; Elmer Erickson, chairman, Oak Park zoning board; Kenneth Schellie, planning consultant; Dr. John Logan, Chairman, civil engineering dept., Northwestern university; and Jack Siegel, municipal attorney.

Other clinic speakers will be: Andrew Dallstream, chairman, Cook County zoning board; George Kraneberg, technical director, Cook county rezoning staff; Robert Morris, Lake county director of planning; Frank Opeka, municipal attorney; Blaine Osterling, Park Forest village planner; Leonard Calman, Hinsdale Village manager; and Harold Hoover, Ill., state representative.

The NIMAPC, created in July of 1957, is dependent upon cooperation and financial support of the six county area served.

Principal objective of the commission is to prepare a metropolitan area plan to guide and coordinate the development of an adequate water supply and distribution system; storm water and sewage disposal; integrated air, water, rail and

highway transportation; the orderly arrangements of land for residential, commercial, industrial, public and other use; local and municipal and governmental services; and improved standards of urban aesthetics and civic design.

More than 3,000 leaders in municipal, county, state and federal government, industry, business and civic affairs have been invited to attend the Tuesday conference and to contribute to the afternoon clinics.

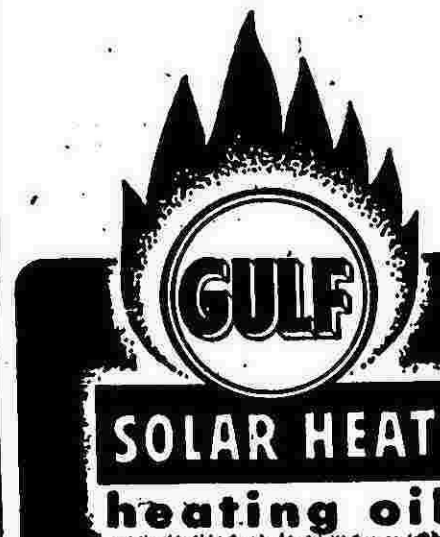

And though I bestow all my goods to feed the poor, and though I give my body to be burned, and have not charity, it profiteth me nothing.—(1 Corinthians 13:3.)

The grand gesture and the big gift, even though they may be generous, are not so great in the sight of God as the smallest thought or act that comes from a heart filled with loving kindness—for therein is the real and true charity.

Winter barley, growing in popularity in southern Illinois, is a good feed insurance crop, an excellent grain for feeding and a good forage for fall and early spring pasture.

A sudden drop in poultry feed consumption may be the first clue that blue comb disease is in the flock.

Fox Lake Hills
Assn. To Pick
New Officers

By Jim Jankowiak

FOX LAKE HILLS—As a service to residents of Fox Lake Hills who haven't kept up on the doings of the various organizations in the subdivision, and also to those outside who wish to be informed on doings of their neighbors, I will from time to time put on a few extra lines about the events of the various organizations.

This includes the Sports club, Women's Auxiliary, Fox Lake Hills association and Teen club.

Whenever these organizations are up to something big, I will report it in full along with a little behind the scenes facts.

This is the big week for Association members. Elections will be held this Sunday at 3 o'clock in the Lake Villa grade school.

There has been quite a flurry of activity as various factions line up their candidates and predict the worst if the opposition is elected.

From information I have gleaned for talking to different sources, nominations forwarded will come as quite a surprise to a few people.

Others, however, already have been approached, and requested to throw their hats into the ring.

It should go without saying that everyone should be at the meeting to have a say in the doings of the community government.

It is not only the nomination of Association leaders, but also a chance to air opinions on any and all phases of subdivision problems.

It is also an opportunity to get the next fellow's ideas.

By Jim Jankowiak and Bruce Wellens

The Fox Lake Hills Teen club is going great guns at the present time after getting off to a slow start.

After the idea of starting the club was forwarded to the teen-agers of the subdivision, a committee, composed of Frank Alex, Pat Riley, Ron Frystak, Bruce Wellens and Jim Jankowiak, met at the home of Julie Chonis.

At that session in the early part of July, the committee, aided by Mrs. Chonis and Mrs. Conrad, discussed the methods of getting the club on its feet.

By the time the evening came to a close, a dance had been planned for the following Monday night.

It's past history that the first dance caught on and the numbers present continued to climb. The only trouble with the entire affair was

Park Given
Twin Lakes;
Eight Acres

TWIN LAKES, Wis.—Twin Lakes village has gained a new park as a gift by Mrs. James R. Anderson and Gilbert S. Lance of Kenosha and Mrs. Georgianna Wright of San Francisco.

They are the son and daughters of the late Mrs. A. H. Lance and the grandchildren of the founder of the Simmons company of Kenosha.

Announcement of the gift was made known at a public meeting at the Twin Lakes village hall last Saturday.

The eight acre tract will be known as "The Belle Simmons Lance Memorial Park." L. V. Fisher, village president told the meeting.

He credited a "public spirited committee consisting of Alfred W. Fisher, a former president of the village, Frank Platts, member of the village board, and Ernest Oberhofer, Twin Lakes resident," with initiating the idea for village ownership of the tract.

The park includes 882 feet of lake frontage on the northwest side of Lake Mary and is irregular in shape. Park frontage on Railroad Ave. will be 641 feet.

It is a wooded area containing typically Kettle Moraine hills and dunes. The donation also includes two unused summer homes and a boathouse on the north shore of Lake Mary.

The village of Twin Lakes also leases a large section of the northeast shoreline of the lake for its public beach.

the serious deficiency of girls.

According to a count taken at the last dance held at the Beachhouse, the boys outnumbered the girls three to one. Not bad at all for the girls, but rather bad on the boys.

As to the standing of the treasury, Carole Conrad reports that since the recent bake sale, \$97 have been added, pushing the grand total to \$125.

No one as yet has a concrete idea as to what the money will be used for. Probably it will accumulate till somebody comes up with a good suggestion.

New events have been planned and will be stated forthwith:

October: Halloween party at the Beach House. November: Dance. December: Club's most noteworthy coming event, a semi-formal Christmas dance at Fox Lake Legion Hall.

January: Tentative, a play put on by members of the Teen club. February: Valentine dance; March: Polar Bear swimming; April: Horse whipping tournament.

Looking Into The Old Files

ONE YEAR AGO (Sept. 18, 1958)

Antioch high and Wilmet high gridiron teams tie 28-26 in season opener at the Wisconsin community.

Wilbur Turner starts as county dog warden for all sections outside incorporated areas.

Mr. and Mrs. Herbert Prange of Loon Lake road fly to Montana to help in search for son Lawrence Eugene, age 20, who has been reported lost in rugged mountain area.

Sox win Little League baseball championship with 8-0 victory over Tigers.

Earlier job of snow removal expected in Antioch with purchase of new plow that has electric control.

Fire chief Ed Simonsen and deputy chief Charles Mapethorpe attend fire chiefs and Boy Scout meeting in Winnetka.

Varsity cheerleaders at AHS this year are Elaine Christensen, Sharon Dittman, Jill Gaston, Charlene Keulman and Lynn Veessenmeyer.

Salem Central high school reports enrollment of 516 students, a substantial increase over a year ago.

FIVE YEARS AGO
(Sept. 16, 1954)

Harlem Globetrotters, famous basketball team made up of negro players, to play college stars from Chicago area here in October.

Twelve room addition to Antioch grade school to be dedicated Oct. 3. Cost was \$235,000.

Adult evening school registration to open at AHS Sept. 30.

Fred Clark is elected president of Methodist Youth fellowship along with Peter Zalatoris, vice president; Pat Couch, secretary; Marilu Bushing, treasurer; Marion Stowe, publicity chairman.

St. Peter's grade school reports enrollment of 342, an increase of 25 over last year.

Four-way stop signs erected at route 173 and 21 and at routes 173 and 59, both south of village.

John Hojem is elected president of Channel Lake Community club.

10 YEARS AGO
(Sept. 22, 1949)

New St. Peter Parochial school to be dedicated by His Eminence Samuel Cardinal Stritch on Oct. 16.

Special polio fund drive in Antioch reaches \$542 after one death in village and 73 cases in county reported.

Murrill Cunningham is picked as acting mayor at meeting of village trustees, succeeding the late George B. Bartlett.

Mrs. Myrus Nelson is named Antioch township school treasurer.

Ted Larson, son of Mr. and Mrs. P. T. Larson, receives doctor of laws degree from Loyola school of law.

20 YEARS AGO
(Sept. 21, 1939)

Cedar Lake PTA to be led this year by Mrs. Charles Anderson as president.

Work on proposed Chain O' Lakes state park in western Lake county to start soon by a new CCC camp of about 200 men to be opened near Fox Lake in October.

Francis Swenson and Richard Hartnell, president and secretary of Antioch Future Farmers of America chapter, attending state officers training school at Springfield.

Fire damages brick building at Trevor used as feeding place for livestock at Trevor yards.

Fire Station Floor Is Being Improved

Work was being completed this week on improving the floor of the Antioch fire station with a fireproof coating. Local fire trucks have been parked out in front of the structure for several days while men worked on the new coating.

The new material is expected to improve not only the looks of the floor but also to help provide an easier surface to keep clean, one that grease and oil will not harm.

Police Ball Slated At Lindenhurst Sat.

LINDENHURST—The Lindenhurst Men's club will be the site and the evening of Saturday, Sept. 19, will be the date for the third annual police ball of the Lindenhurst police department.

The dance scheduled for 9 p.m. will feature the music of Gorde Loftgren and his band.

Among those in charge of the event are Sgt. John Selzer, Capt. Warren Frontzak, trustee Ted Brendell, chief Fred Beller and Lt. Mike Fidanzo. Brendell is chairman of the police committee.

Sequoits Play Wilmot in Opener Saturday

Hawks and Owls Are Protected

Hawks and owls are now on the protected list and it is illegal to shoot or kill any of the creatures.

A bill sponsored by the Illinois Audubon society revised the game code to this effect, although a landowner may take steps to eliminate predators killing his livestock or destroying crops.

But he must have substantial proof of damage to avoid prosecution, the department of conservation warned.

The department also called attention to the fact that the dove sea-

son opened in Illinois on September 1 and the squirrel season opened the same date in northern zone counties.

The daily limit on doves is 10 and possession limit 20. The season closes on November 4. Shooting hours are from noon until sunset.

Daily limit on squirrels is 5; possession limit 10.

The southern zone season will end on October 15, while the northern zone hunters may take squirrel through October 31.

Shooting hours are sunrise to sunset.

News of Lakes Sports

Salem Seeks First Victory Of 1959 At Home on Friday

SALEM, Wis. — Central high of Salem will try to hit the victory trail this coming weekend when the Falcons meet Elkhorn at 8 p.m. Friday on the Salem high school field.

This non-conference tilt will be the third such game for the Falcons who have tasted defeat the other two times. They lost to the Lake Geneva Badgers last weekend 29-26 and to St. Mary's of Burlington the week before 32-0.

Salem compiled two first downs to 10 for Lake Geneva last Friday evening, by making one each on a pass play and a running play. The Badgers made six on the ground and four in the air.

The Central high youths tried 13 passes and completed two for a total of 39 yards. Lake Geneva was credited with 12 tries and six completions for 89 yards.

THE FALCONS gained 75 yards rushing and the Badgers 176, with Salem marking up a total of 114 yards from rushing and passing to 265 for the Lake Geneva 11.

Two of the Salem passes were intercepted and none of the Badgers.

Salem lost the pigskin once on a fumble and Lake Geneva lost it once. The Badgers fumbled twice and the Falcons once.

Lake Geneva had the dubious honor of leading in one other department. That was in total yards for penalties with 95 while Salem was assessed 20 yards.

Top ground gainers for the Central high boys of Salem were Jim Urban who made 86 yards in three tries, Gene Schulz with 19 yards in six tries and junior halfback Andy Agnew with 13 yards in five attempts.

In the first quarter Lake Geneva recovered a Salem fumble on the Central 15-yard line. A pass from Dick Kohn to Don Miskie went to the 1 and Miskie scored on a pitch-out from that point.

A pass from Kohn to Jack McLean was good for the extra point.

EARLY IN the second period, a kick by Salem from its own 13 was blocked by the Badgers for a safety and two points.

Late in the second quarter, Miskie went 24 yards for a touchdown and added the extra point.

A pass from Kohn to Dave Nowak covered 30 yards and made a touch-

down in the same stanza. Kohn added the extra point.

Salem entered the scoring column in the third quarter when Vince Klemko, sophomore end, recovered a Badger fumble on the Lake Geneva 40 and ran the ball for a td.

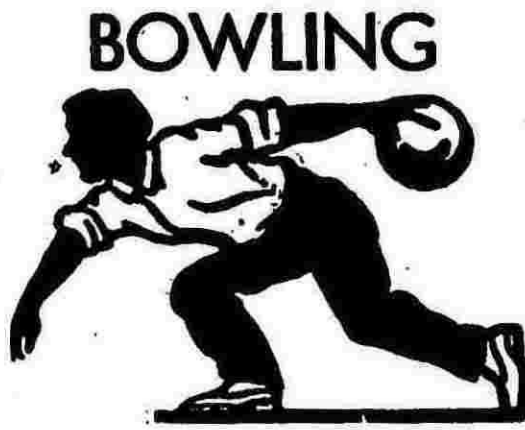

FRED LENTZ added the extra point on his second try. The first attempt was nullified by a penalty.

After Salem had kicked off, the Falcons took the ball over on downs just before sophomore Jim Veborn ran 76 yards to paydirt up the middle. The try for the point was missed.

Early in the final quarter, a pass from Kohn to Rasmussen was good for 30 yards to the Salem 10 to set up another Badger touchdown. Dave Nowak on a pitchout went over for the td.

A try for the extra point was no good.

After that both teams could gain little and the game resulted in both elevens moving back and forth with neither threatening seriously.

14 Entries Possible In '60 Softball Loop

There is a possibility of as many as 14 teams in the Lake-Keno Softball league next season, it was learned this week.

A meeting of the league's leaders learned that several firms in Antioch want to sponsor teams, plus at least one in southern Wisconsin and one more in Illinois outside the Antioch community.

This past season 10 teams competed in a two round schedule with Thom-Eric winning the title in a playoff game with Antioch Bowl.

The latter had won the second half championship and the former had taken the first half title.

739-2007.

Mabel L. Dow was high individual scorer with games of 193-173-145-511.

Fortman's Gulf Oil beat Bill's Service 3 games.

Antioch Launderette beat Tot Shop 2 games.

LaPlant Masonry beat Laursen & Blackman 2 games.

State Bank beat Cox's Corners 2 games.

John's River Inn beat Wally's Channel Inn 2 games.

Meinersmanns beat Pedersen's Bakery 2 games.

Antioch Major

September 4, 1959.

Volo Bait Shop had high team series with games of 964-956-974-2894.

Buck Perkins was high individual scorer with games of 256-209-178-641.

Volo Bait Shop beat Mark's Castle 3 games.

Miller Insurance beat Cermak R E & Ins. 3 games.

Garwood Laundry beat Rausch Bros. 2½ games.

Joe & Helen's Resort beat Antioch Lumber & Coal 2 games.

Tiede Insurance beat Marty's Club Villa 2 games.

Blumenschein's Excavating beat Spring Valley Country Club 2 games.

Thrills, Spills and Chills Feature Racing At Wilmot

WILMOT, Wis.—A precedent was broken Saturday night at the race track in Wilmot.

"The Little Indianapolis of Wisconsin" never before has run after Labor day but it did last weekend before a crowd of 2,238 paid racing fans which brought a purse of \$1,000 for the drivers.

Fifty-three modified stock cars qualified for the evening which was filled with thrills, spills and chills. A little heat was added when car No. 23 caught on fire in the feature race. It was involved in a four-car pileup with two of the cars over turning.

Incidentally, because of pileups the feature had to be restarted twice with 16 cars starting out and six finally finishing.

Of course, the feature race was won by "Uncle Milt", followed by Rod Fuller and Jack "Flip" Frost.

Len Hanne, Dave Darnell, Swede Erickson, Dick Ranahan and Speed Grodody finished in that order.

WILD BILL Lesdurek, better known as the "purple people eater", won the first heat, followed by Glen Eickman and Ron Larson. This was "Wild Bill's" first checkered flag in two years of racing.

The second heat race was taken by Russ Olson with Jim Olet second and Dick Reilly third. Coon started some fence removal work in the race by taking down a section or two and most everyone else followed.

Consequently nearly 2,000 feet of fencing became kindling wood and tooth picks. Drivers even tried to remove a utility pole but the posts proved too tough.

In the second heat it was Fran Semais, Rod Fuller and Ed Kiefer with 11 cars starting and three able to finish.

The fourth heat saw the "fun begin."

"Uncle Milt", starting in the rear moved through and into the lead in the ninth lap. "Flip" Frost was second, followed by Paul "Ding Dong" Bell, driving York's No. 61.

THE 15 lap semi-feature was won by Frannie Semais of Milwaukee, "Wild Bill" Leschuck was second and Russ Olson third.

Ray "Stoker" Toft, driving No. 5, the Antioch Special, spun out in the feature on the west turn.

He may not be so big but he certainly broke some kind of a running record by getting out of his car and into the infield in 3 seconds flat.

Next Saturday evening, Sept. 19, will be the final racing of the season at Wilmot and promoter Jim Smith promises a full night of entertainment.

The program will include four

Last season the Wilmot high Panthers almost pulled an upset by defeating the Antioch high Sequoits—and even then gained a tie, the third time that has happened in football rivalry between the two schools.

The Sequoits plan to change this somewhat when the two teams meet at 8 p.m. Saturday in a non-conference game at the Antioch field.

Coach Bob Walther of Antioch this week foresaw the Sequoits as making "the best potential showing in two years" in scrimmage last Saturday.

Commenting further, Walther foresaw this week's game with Wilmot as giving an indication what the Antioch high eleven will do against Lake Forest next weekend.

The mentor sees Lake Forest and Grayslake as the top contenders for Northwest conference honors this football season.

Wilmot's Panthers with seven let-termen back plus another 10 or 12 with some experience are primed to once again threaten seriously the Antioch record of never being defeated by the Wisconsin high school on the gridiron.

The Panthers under coach Frank Bucci have had no serious injuries during the practice weeks. Bucci indicated the Wilmot high squad will be at full strength for the battle Saturday night.

But Walther and his staff believe that for the first time in some seasons, the Sequoits showed real team work in the scrimmage last week.

"If the boys learn to work together there will be nothing to be ashamed of and we can be quite proud of them," the local mentors said.

Bleachers were being erected on one side of the local field late last week.

Given good weather Saturday evening, a good sized crowd is expected from both sides of the "border."

New Coach Signed

WILMOT, Wis.—A new coach has been added to the staff at Wilmot high school, it was learned this week. He is Dale Schroeder, who will coach the Panthers in basketball.

Drive For Volunteer Red Cross Workers To Start In Lake County September 29

Tuesday, Sept. 29, will mark the beginning of "Become a Red Cross Neighbor" month, a drive to recruit volunteer workers for the Lake county chapter of the American Red Cross.

Mrs. Mitchell DeBree of Lake Bluff, chairman of volunteer services said:

"We are asking the people of Lake county to donate a few hours of their spare time to helping others. It may only be a few hours a week or an hour or two a day but everyone is invited to participate."

The recruiting drive will begin at a tea at 1:30 p.m., Sept. 29.

The tea will be held at the Tilton lounge, Barat college, Lake Forest, and those interested in becoming Red Cross volunteer workers are invited to attend.

FOR THOSE who are unable to attend the tea, call the office of volunteers at the chapter house, 308 Julian St., Waukegan, telephone ON 2-4044.

Orientation meetings for new volunteers will be held during October.

There are seven services for which volunteer workers are desired. They are:

Canteen service — which provides volunteers trained in planning, preparing, and serving food.

Entertainment and instruction service — Which provides recreation programs for military personnel and patients in federal hospitals and selected entertainment in civilian hospitals and institutions.

It also provides special instructors and lecturers for these groups.

Gray Lady Service — Is dedicated to comfort and recovery of the sick, injured, and handicapped.

Gray Ladies serve at the Naval hospital, Downey Veterans Administration hospital, the Lake County Home for the Aged at Libertyville and the Lake County General hospital in Waukegan.

Motor service — Provides transportation for ill veterans, home serv-

ice clients, crippled children and pick up and delivery of personnel for any of the chapter's programs.

Production and supply service — Workers fill requests for sewing and knitted articles, surgical dressings, and any other items needed in veterans' hospitals and disaster relief operations, or by needy families.

Social welfare aide service — Provides assistance to Red Cross professional workers in social welfare activities.

Staff aides service — Assist the chapter in carrying on regular office activities. Staff aides may be assigned to field directors at military installations and federal hospitals, or to other hospitals, institutions, and health and welfare agencies.

Cleaning crankcase breathers and air cleaners, keeping correct tire pressure and changing crankcase oil are some of the tractor maintenance chores most often neglected on Illinois farms.

Hog prices in September and October will influence the number of sows bred for spring pigs, and consequently the price of hogs next fall.

File Early, Says Social Security

File early!

If you have set a date for retirement—even if it is 2 or 3 months from now, you should call at your nearest social security office and file a claim for your benefits.

When you call at the office bring with you your W-2 form for your last year's wages, bring some document to prove your age, and know how much you earned so far this year.

Having this information with you will insure prompt service on your application.

For women who will file before age 65, it would be to their advantage financially not to file until they are actually retired.

A woman in this category who files a claim for benefits suffers a reduction in her benefits for each month she is under 65 at the time she files.

However, even in these cases it is best that they inquire before they retire as the administration will be able to partially develop their claim and help them secure the proper proofs.

Remember—Inquire before you retire!

Lake Villa Leads Assessment Protest

Lake Villa continued to top Lake county in the number of complaints filed by residents over this year's tax assessments.

Nearly 1,600 complaints on some 2,089 pieces of property were filed by residents of that community, the county board of review said.

Already many complaints have been received from taxpayers in other county communities including Lake Villa on next year's assessments.

Hearings have been conducted on many complaints, including the following: Antioch with 31 complaints on 38 pieces of property.

Result of the mass hearings totaled more than 1,000 on nearly 1,600 pieces of property in Lake County, tax bills are not expected to be mailed out until just before Christmas.

The best way to stop hens from laying eggs on the floor is to prevent them from starting.

Urge Dairymen Be On 'Alert' For Milk Fever

Dairymen must be on the alert for milk fever, a common disease that occurs frequently during the fall calving season, says Dr. Jesse Sampson, University of Illinois College of Veterinary Medicine.

Milk fever is not caused by a virus, bacteria or any outside agent. Rather, it occurs when large calcium demands, associated with high production, are made upon a cow's blood.

This usually happens to the best milk producers during the early stages of lactation.

In most cases, signs of this disease are commonly found in high-producing cows within 72 hours after calving. Nearly all cases show up within one week.

The first signs of milk fever are often hard to detect, says Dr. Sampson. Alert dairymen, however, may notice some signs of nervousness in their freshened cows and perhaps a slight trembling in the shoulder muscles.

Dairymen generally recognize this disease when the cow's gait becomes wobbly and the animal appears unsteady. As the disease progresses, the cow staggers and falls or lies down.

Her eyes are dull, her body is cold to the touch. If she is lying upright, her head is turned back toward the shoulder. This position is characteristic of affected cows.

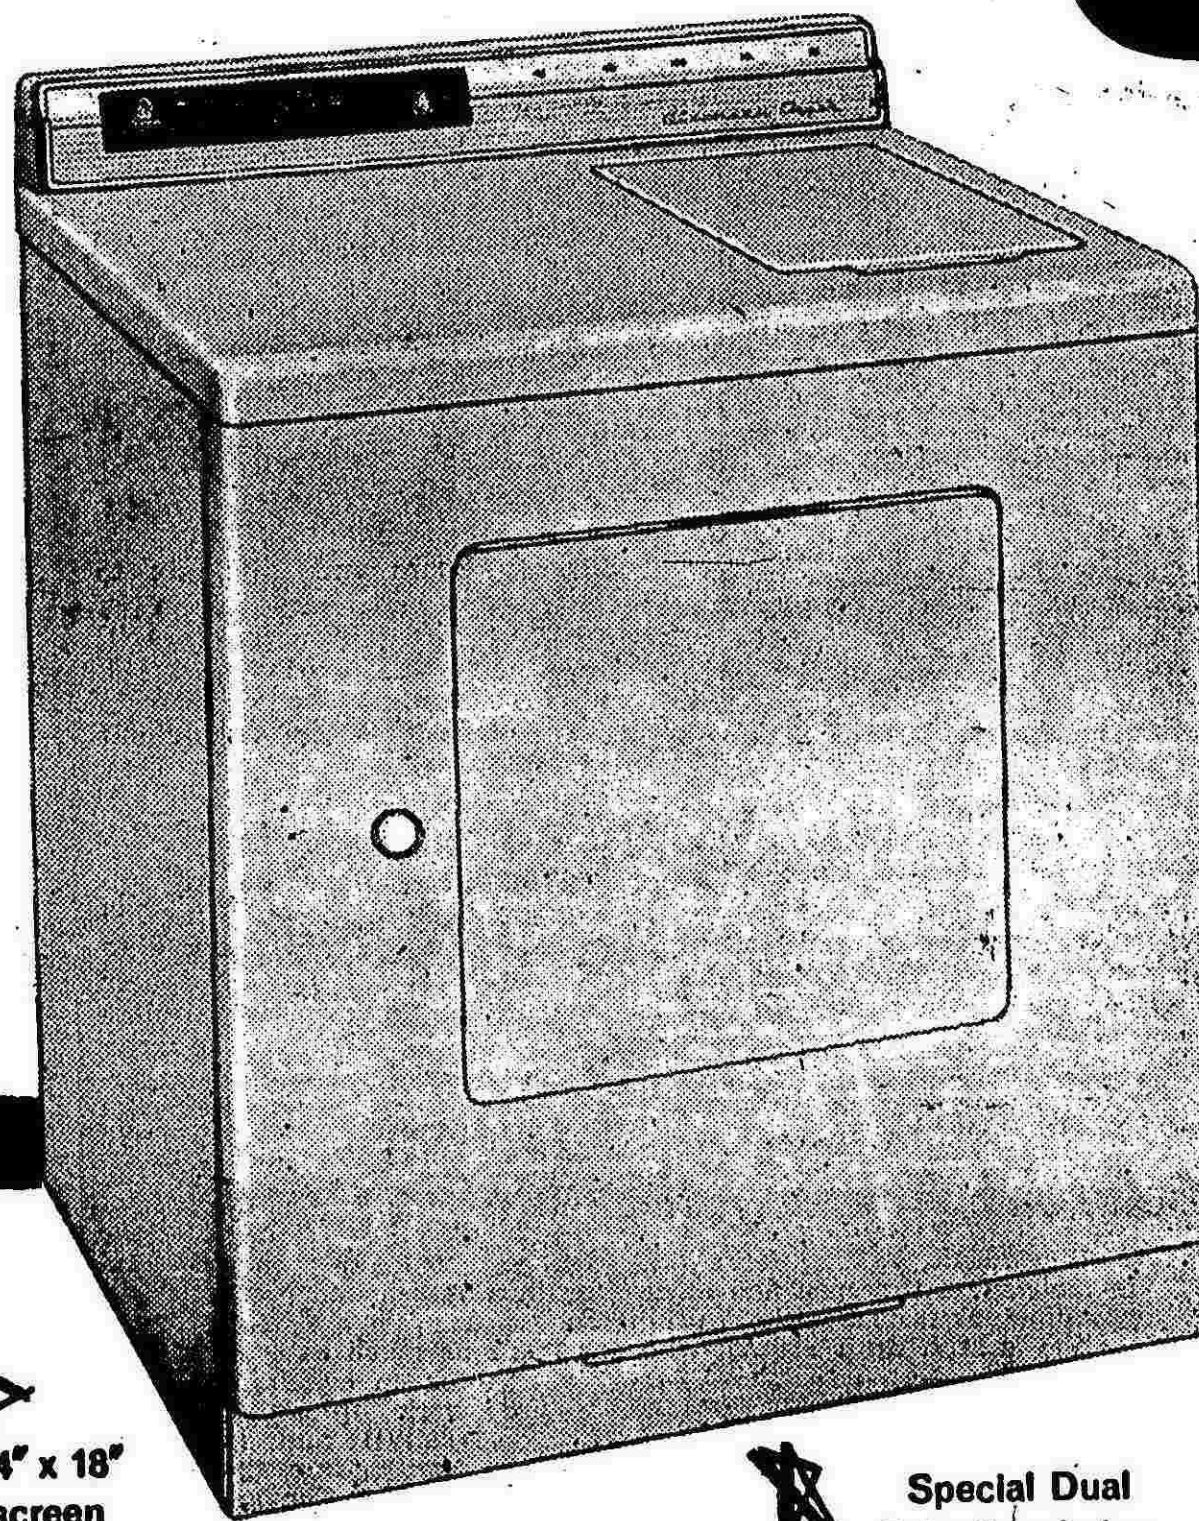

To combat milk fever, cows should have exercise, balanced rations and at least a six-week dry period.

There is some evidence that feeding 20 million units of vitamin D each day for three to seven days before calving may help to prevent this disease.

But feeding large doses of vitamin D for more than ten days before calving is likely to cause serious trouble for the cow.

The milk fever fatality rate in untreated animals is high, and affected cows usually die within 48 hours. However, prompt diagnosis and treatment will save most animals, says Dr. Sampson.

Judy Sheehan, Robert Polsen Married in LV

Mrs. Fred Bartlett
Lake Villa Correspondent

LAKE VILLA — Judy Sheehan, daughter of Mr. and Mrs. Joe Sheehan of Antioch and Robert Polsen of Lake Villa were united in marriage at St. Peter's church in Antioch Saturday.

A reception was held at the VFW home on Soo Line road and Grand Ave. for about 200 relatives and friends. After a honeymoon at Niagara Falls, New York, they will reside in Antioch.

Mr. and Mrs. Winspon Reiber of La Cresent, Minn., visited with the Blumenschein families of Lake Villa over the weekend.

Mrs. Gus Swanson of Glenwood, Ark., was a visitor Saturday at the home of Mr. and Mrs. Karuin Karolus.

Also visited the Karolus Saturday was Mrs. Frank Slazes Sr.

Mr. and Mrs. Harold Fillwebber and daughter Judy of Antioch and Mrs. Dick Cert and family of Petite Lake were visitors Saturday at the home of Everett Galiger.

The following boys from Lake Villa left recently to attend the St. Bedes academy at Peru. John Hamlin, son of Mr. and Mrs. Lester Hamlin; Paul Yancy, son of Mr. and Mrs. R. W. Yancy; and Tom Konitzer, son of Mr. and Mrs. A. G. Konitzer of Route 59.

Lanore McCord, daughter of Mr. and Mrs. Harold McCord, left to attend the University of Illinois.

Joel Armstrong will leave September 21 to attend Stout college at Menomonee, Wis. Joel is the son of Mr. and Mrs. Leonard Armstrong. Jay Cribb will leave shortly to attend the Lakeland college at Sheboygan, Wis.

Mr. and Mrs. Clarence Blumenschein celebrated their 46th wedding anniversary by having supper Thursday evening at Hazelman's in Wisconsin.

Mr. and Mrs. Clarence Blumenschein and Marie Kelly attended the funeral of Clara Weller held in Chicago Friday afternoon. Mrs. Weller was a resident of Lake Villa for a number of years before moving to California to make her home with her daughter.

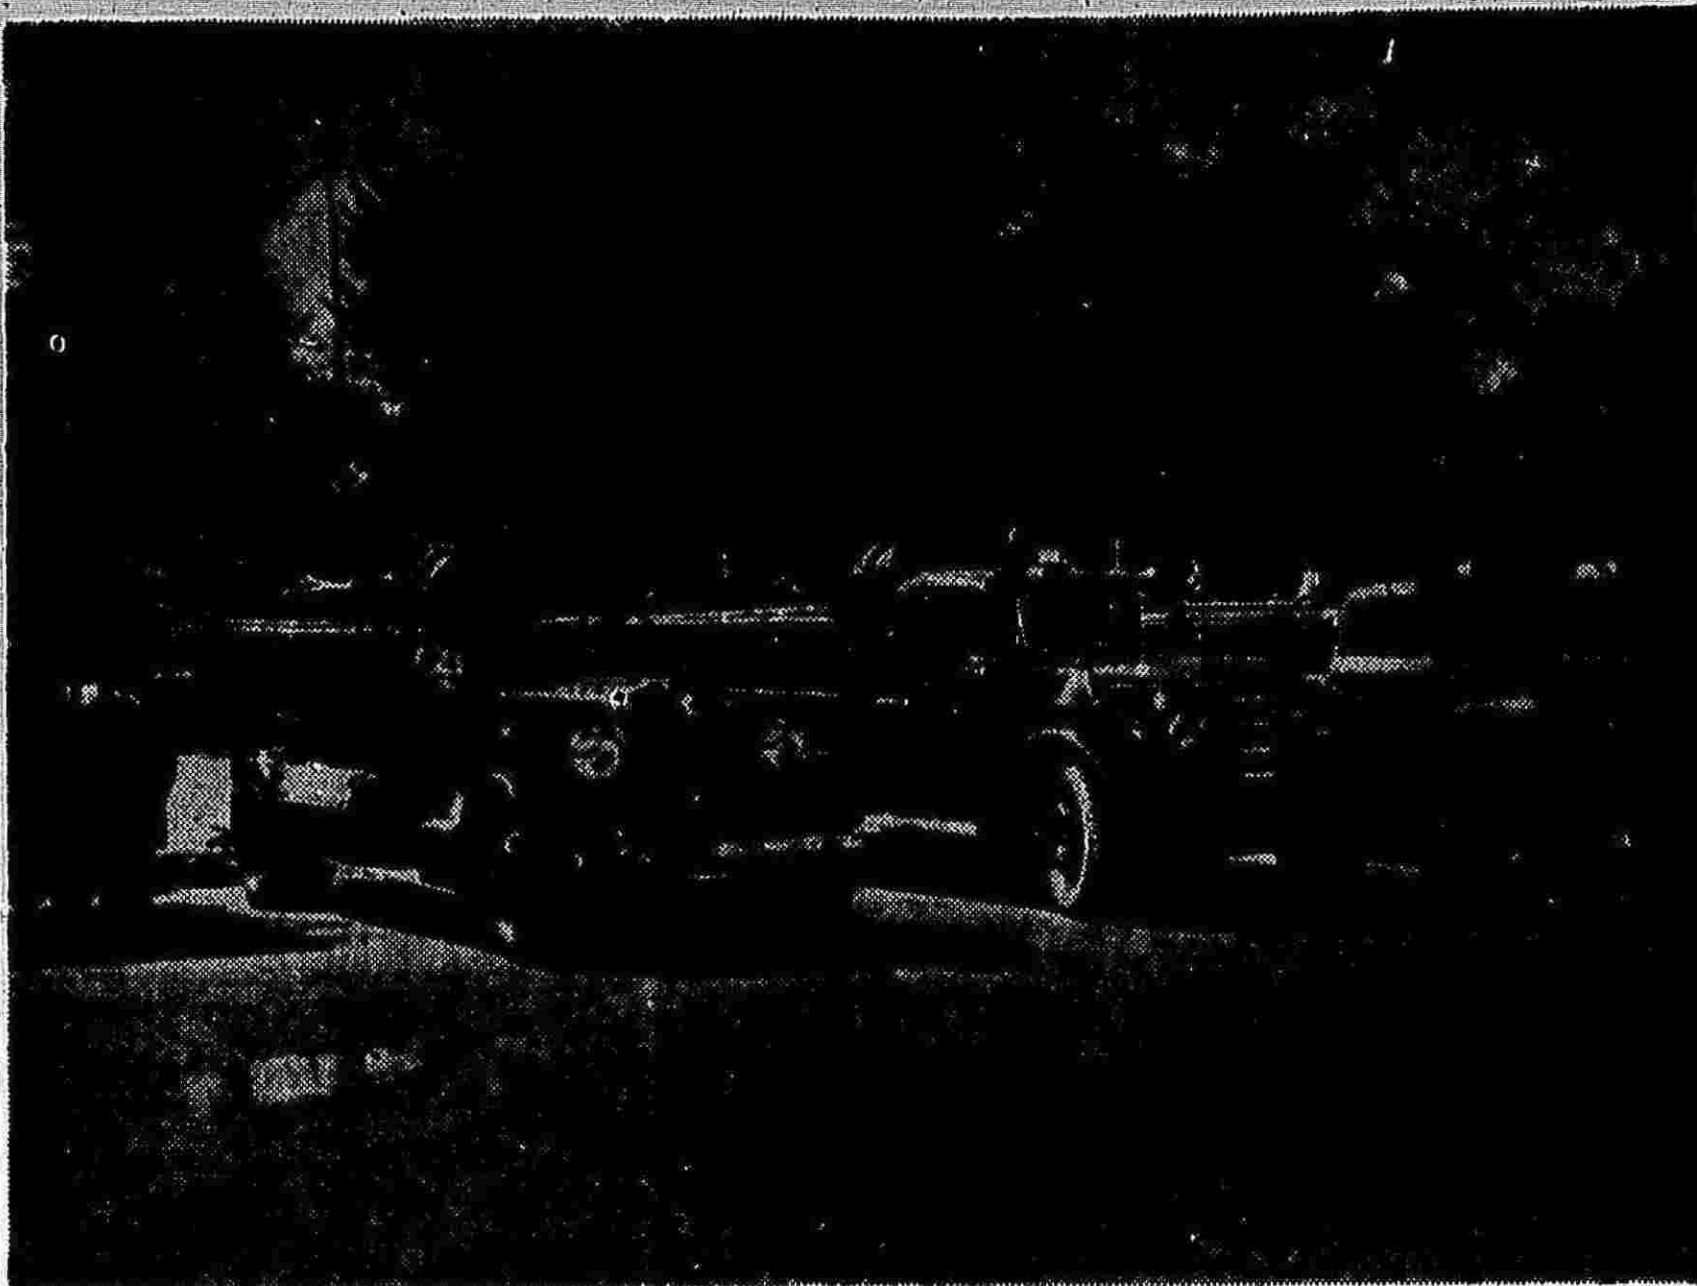

Mr. and Mrs. S. G. Wiesner and family of the Great Lakes Naval Training station were visitors recently at the home of Mr. and Mrs. Joseph Botts, where a picnic was enjoyed by all.

Mr. and Mrs. Raymond Bartlett and family from Waukegan were visitors Saturday at the home of Mr. and Mrs. Fred Bartlett Jr. and Mrs. Srs.

Mr. and Mrs. William Fish have moved into their new home on Oak Lane drive, Lake Villa.

Mrs. Chester Hamann of Waukegan visited Mr. and Mrs. William Fish recently.

Mr. and Mrs. Barney Costerhoff from Holland were visitors Friday at the home of Mr. and Mrs. William Fish.

ANTIOCH FIRE TRUCKS were lined up in front of the local station late last week while crews were laying a new floor to the building. One of the jeep trucks is partly shown at the left and another did not make the picture, being out of sight to the left. The new floor covering is expected to help firemen keep the station cleaner. Oil and grease spilling on the floor will give as much trouble as heretofore. These trucks were parked in the fire station driveway while work was being done on the floor.

School Boards To Have Class

As a service to the boards of education in Lake county, the Adult Evening school at North Chicago community high school will offer a class for school board members, John Hawse, director of the adult evening school announced.

Endorsed by both the Lake county superintendent of schools and the Illinois School Board association, the special class will consist of six two-hour meetings to be held on Thursdays, October 1 through November 5 from 7 to 9 p.m.

The meetings will be held in room 141 of the North Chicago community high school.

The class is open to school board members of Lake and neighboring counties, and to adults interested in the business of operating a school.

Tuition for the course is ten dollars. This is an authorized expenditure from school board funds, Hawse points out.

Anyone interested in taking part in this special program should send his registration to: John E. Hawse, Director Adult evening school, Community high school, District 123, 1717-17th Street, North Chicago, Illinois.

Repairs Being Made

Repairs to route 173 east of Antioch were underway early this week as workmen patched holes in the present pavement and removed old fills in cracks and holes. New black-top fill was being put in these holes. Traffic in both directions was being delayed at times, with one way traffic due to equipment and men working in the roadway.

Channel Lake News

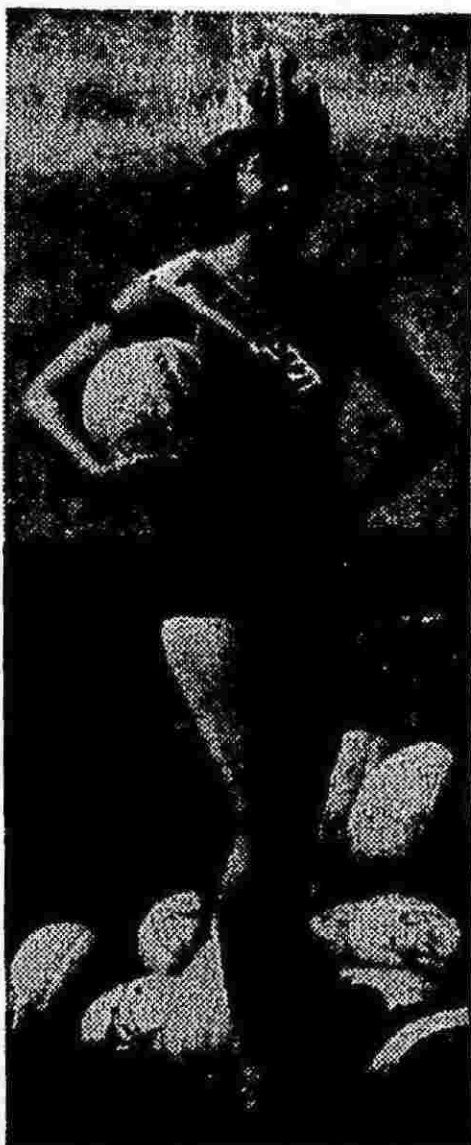

Donna Mae Marcusson was guest of honor at a baby shower held at the home of Dolores Smith on Lake Ave. on Sept. 10. Dolores Rivers was co-hostess at the party.

Mr. and Mrs. Harry Wetmore of Leslie, Mich., were guests over the Labor day weekend at the home of Alfred Jerde.

Pumpkin Festival Slated For Eureka

EUREKA—Sharon Durst, 17 year old Eureka high school senior, will be crowned queen of the Eureka Centennial Pumpkin festival Thursday, Sept. 24, to start the three day festival.

Becki Barker, 16, Ginger Wuethrich, 16, Marleah Guengerich, 18,

and Joyce Boyer, 18, will make up her Court.

The Pumpkin festival has been combined with observance of the founding of the City of Eureka 100 years ago.

Beards, bonnets and a historical pageant have been mixed with the pumpkin pies, festival parade and colorful coronation ceremony that has featured past festivals.

Great Grandmother Makes Good

Housewives looking for a fun-laden way to make money in their spare time can find inspiration in a 74-year-old great grandmother from Seattle, Washington.

She is Mrs. Ruth Strong, who has made as much as \$400

Mrs. Ruth Strong is congratulated by Mr. Foster E. Goodrich, Stanley's 1st Vice President and Director of Sales. Lee Worrell, Western Region Sales Manager, looks on.

she began selling in earnest, working her way up to Unit Sales Leader in Seattle. As a result of her spectacular sales, Mrs. Strong has a profitable income and has won exciting trips and prizes galore.

"You see," she says, "being so active keeps me feeling young. My way of living is surely different than it would have been had I not taken up selling Stanley products. There are unlimited opportunities in selling Stanley Products. Enthusiasm, they say, is ninety per cent of what it takes, and I surely have that. My only regret is that I didn't start many years before I did. It has surely paid off in personal growth and development. I have a wonderful backlog of customers and friends."

Selling Stanley's quality household products and good grooming aids has brought spare cash to tens of thousands of women throughout the country, and Mrs. Strong's career proves that age is no barrier to success. Her advice to new and younger dealers is simple: "Get going and stay going and you have it made, because at seventy-four I am not ready to stop."

Oil Added to Lots

Parking places near the Antioch high school building have been oiled to help keep down the dust and to assist motorists in parking their vehicles. The spaces near the building are blacktopped but the area north of the buildings had been dirt.

Lotus Woods, Wildwood News

By Jean Wrona
Justice 7-6082

Mr. and Mrs. John Usalis are spending three weeks vacation at their summer home in Lotus Woods, enjoying fishing, boating, and just plain relaxing.

We were saddened to last week by the leaving of the Stolz family from Lotus Woods.

We hear they are now residing on the Northwest side of Chicago.

But at the same time let us welcome the new family who bought their home.

Welcome, neighbors to Mr. and Mrs. Jack Wallace. We also welcome the Blumer family who took up permanent residence in Wildwood.

Belated birthday greetings to Carl Groh whose birthday was the fifth of September and to Mrs. Viola Holcomb who celebrated hers on the twelfth of September.

The two sons of Mr. and Mrs. William Smith of Wildwood left this week for school. Bill, Jr., left for St. Paul Seminary at St. Paul, Minn., and Paul will be attending Laras college of Dubuque, Iowa.

Congratulations to Mr. and Mrs. Harry Kraemer of Dunns Lake on their 25th Wedding Anniversary

which they celebrated on September 12th.

The Lotus school PTA will hold its first meeting of this new school term on Wednesday, Sept. 18.

Our best wishes for a speedy recovery to Lee Gognebin of Wildwood who suffered a heart attack three weeks ago. He is now convalescing at St. Therese hospital in Waukegan. We also wish a speedy recovery to Ole Nygaard of Wildwood who is ill at the Lake County hospital in Waukegan.

The next meeting of the Lotus Woods Property Owners Association will be held Saturday, Sept. 19, at 3 p.m. at the Lotus Country school.

Mr. and Mrs. Emerson Sanders became proud parents of a girl on Sept. 7. Her name is Linda Catherine.

A girl, named Helde, was born to Mr. and Mrs. Gilbert Mersgler of Oakland on Sept. 13.

Mr. and Mrs. L. Hagen of Dunns Lake went to Great Lakes Saturday to visit Mrs. Hagen's brother, Richard Moore who is in the navy.

Deadly nitrogen dioxide gas, usually present in newly filled silos, may be even more dangerous than usual this year because of the exceptionally dry growing season. This gas is most likely to develop in silos recently filled with corn fertilized with nitrogen during a dry season.

Theatre Announces Price Reductions

More good news for Antioch's young people! According to Bill Goewey, Manager of the Antioch Theatre, he has set up student admission rates which will allow young adults, age 12 through 18, admittance to the Antioch theatre at a reduced admission fee.

All that is necessary to qualify for the reduced admission is to register at the Antioch Theatre for a student discount card. These cards are available free at the theatre and are good for the entire school year.

Ballot Calendar For '60 Listed

SPRINGFIELD — Secretary of State Charles F. Carpenter announced publication of the election calendar listing the dates and other pertinent information for the primary, general and judicial elections of 1960.

The calendar also shows the new electoral vote for the nation as 537, an increase of six because of the admission of two new states, Alaska and Hawaii.

Each of the new states has three electoral votes.

The statewide primary election will be held April 12, and the general election will be on November 8.

The judicial election, to name supreme court justices from the First, Second, Third, Sixth and Seventh districts, will be held June 6.

Copies of the booklet have been forwarded to Illinois congressman state senators and representatives, members of the Republican and Democratic state central committees, county clerks, the Chicago headquarters of the two parties, newspapers, radio and television stations.

Wilmot People Visit Friends At Cedar River

By Mrs. Herman Frank
Wilmot Correspondent

WILMOT—Miss Madeline Friedhoff of Kenosha, Mrs. Ed Worner, Joliet, Ill., accompanied Mr. and Mrs. Herman Frank to Cedar River, Mich., Escanaba and Gladstone, Mich., and Lily, Wis., and spent a few days with Mrs. John Barstow and daughter, Jane, at Cedar River, Mich.

Mr. and Mrs. Wallace Miller, Mary and Debbie, Mrs. Don Davis, Mr. and Mrs. Clyde Cates, Ray, Duane and June, spent a recent weekend at Manitowish Waters.

Rev. and Mrs. Kenneth Yeoman and son, Lynn, of Joliet, Ill., were Tuesday dinner guests of Mr. and Mrs. Herman Frank.

Mrs. Ralph Gardener, Burlington, spent Friday with Mrs. Paul Ganzlin.

Mrs. Margaret Smith, Mr. and Mrs. Norman Richards, Kenosha, visited Saturday evening with Mr. and Mrs. Dan Fleming.

Mrs. William King, Dayton, Ohio, is spending an indefinite time with her parents, Mr. and Mrs. Dan Fleming.

Mrs. Frank Albrecht is a patient at Burlington Memorial hospital.

Mr. and Mrs. Harvey Brown spent Thursday evening with Mr. and Mrs. Clyde Wright, Ringwood, Ill.

Mr. and Mrs. Harvey Brown attended the Elkhorn fair recently.

Cletus and Jimmy Daniels, Lily Lake, spent Saturday with their grandmother, Mrs. Henry Daniels.

Mrs. Henry Daniels accompanied Mr. and Mrs. Cletus Daniels on a picnic at Burlington Sunday.

Mr. and Mrs. Walter Frank, Mr. and Mrs. George Graber and Nancy spent the past week at Middle McKenzie, Wis.

Mr. and Mrs. Guy Waterberry of Chicago, visited Friday with Mrs. R. C. Shottliff.

Mr. and Mrs. Floyd Gyger, Sr., and Leroy spent the weekend at Lily, Wis.

Mr. and Mrs. Floyd Gyger, Sr., and Leroy visited Labor day with Mr. and Mrs. Alfred Rambow, Antioch, Ill.

Mr. and Mrs. Charles Gifford, Genoa City, and Richard Bauman, Woodstock, Ill., spent Wednesday evening with Mr. and Mrs. George Higgins.

Mrs. Mildred Tuttle and Mrs. Alma Fraher, Kenosha, visited Saturday with Mr. and Mrs. George Higgins.

Mr. and Mrs. Joe Rausch, Linda and Beverly, Mr. and Mrs. William Wertz attended the Elkhorn fair Sunday.

Miss Madeline Friedhoff, Kenosha returned to her home Monday after two weeks stay with Mr. and Mrs. Herman Frank.

Barbara Rasch, Bellin Memorial hospital, Green Bay, spent the weekend with her parents, Mr. and Mrs. Ervin Rasch.

Mr. and Mrs. Wayne Tilton and family, Rev. and Mrs. Carroll Usher and sons, Mrs. Viola Sherman, Mrs. John Memler, Mrs. Henry Vincent, Mr. and Mrs. Floyd Memler and family were Labor Day supper guests of Mr. and Mrs. Ervin Rasch.

Fete Andy Milowski At a Family Party

Andy Milowski was guest of honor at a family party held on the eve of his departure for the navy at the home of his parents, Mr. and Mrs. Thomas Milowski of East Loon Lake.

Attending were Mr. and Mrs. Edward Ciochon, Mrs. Helen Tawarski, Mrs. Ann Johnson, Mr. and Mrs. Louis Ciochon, Mr. and Mrs. Ted Ciochon, Al Ciochon, and Mr. and Mrs. George Milowski, all of Chicago.

Baseball, cricket and bull-fighting rank as national sports in some countries. But the world's most popular game probably is soccer.

AROUND WE GO! Channel Lake school children were enjoying a bit of recess the other day when the Antioch News photographer happened to go by on his rounds. These are a few of the first through fourth graders who were enjoying the slide, swings and merry-go-round on the school grounds that afternoon. The recess period is divided into two parts, one for the first through fourth graders and another for those in the fifth through eighth grades.

Air Force Seeks Men, 19 to 26½

There are few satisfactions that can equal winning the silver wings of a flying officer in the United States Air Force.

Young men between the ages of 19 and 26½ who are high school graduates may now qualify for this special training according to Master Sergeant Maurice L. Edwards, Air Force recruiter at Waukegan.

The wings that are won upon graduation stand not only for personal mastery of the world's finest flying training, but for membership in one of the greatest pacesetting organizations of the modern "Air Age".

Flying the newest jet planes, working with vastly improved equipment and participating in far-reaching experiments and research lie ahead for the young man who takes advantage of this opportunity.

Call Sergeant Edwards, collect at MAJestic 3-9290, or contact him at the Air Force Recruiting office, 325 Washington Street, Waukegan, for further information.

Honor Court, Picnic Held By LV Boys

LAKE VILLA — Lake Villa Boy Scout Troop 84 held a parents' night and court of honor last Thursday at the home of the scoutmaster, Delbert Sherwood.

The outdoor meeting began with a picnic, the scouts cooking hamburgers, potatoes and sweet corn for their parents.

Following the meal, the scouts and parents gathered around a campfire for the court of honor ceremonies to see nine scouts receive 21 merit badges, two boys promoted to star scout and five promoted to Life Scout.

Merit badges were issued to William Puckett: swimming, life saving, and soil and water conservation; Kenneth Shewan: life saving, soil and water conservation and leatherwork; Roger Sherwood: swimming, canoeing, cooking and first aid.

David Sherwood: swimming, soil and water conservation and fishing; James Effinger: swimming and fishing; Robert Carlquist: camping and life saving.

Walter Pleviak: swimming and canoeing; Ted Petersen: citizenship in the home; Richard Prossie: life saving.

James Bruski, neighborhood commissioner, presided in awarding the emblems of the rank of Star Scout to Robert Carlquist and Roger Sherwood.

The boys presented their mothers with miniature pins of this rank.

The rank of Life Scout was awarded to Richard Prossie, William Puckett, David Sherwood, Kenneth Shewan and Rolf Westberg.

Bruski made these awards and the mothers received pins from the boys. David Sherwood, senior patrol leader for the past year, was appointed junior assistant scoutmaster.

Kenneth Shewan was elected by his fellow scouts to the position of senior patrol leader.

His assistants at this post will be Richard Prossie and William Puckett. Rolf Westberg will continue as troop scribe.

Safe Routing To And From School Urged

As thousands of youngsters attend school for the first time in their young lives, the Chicago Motor club urged parents to do their part in seeing to it that their youngsters get to and from school safely.

J. J. Cavanagh, president of the motor club, noted that "one of the most important things parents can do to prepare their children for the school year is to make certain that the youngsters are traveling to and from their destination over the safest route possible."

He strongly urged parents to assist in planning their children's school route, and in the case of youngsters starting school for the first time, suggested that a parent walk the child to and from school for the first few weeks.

The motor club also advised parents to emphasize the following safety tips to their youngsters:

When crossing a street, stay within painted crosswalk lines. Never cross in the middle of the block.

Watch traffic signals at all times. Make certain you have the green light before starting across the street.

Always obey policemen, School Safety Patrol members, and adult crossing guards.

Be calm while crossing a street. Walk, don't run.

Retail food-stores generally do not want and cannot afford overfat cattle, according to a speaker at the recent annual University of Illinois Cattle Feeders day.

Blue Cross, Blue-Shield Launch Lake County Membership Campaign

Officers and directors of the Lake County Health Improvement Association launched a re-enrollment in Blue Cross plan for hospital care of hospital service corporation and Blue Shield medical-surgical plan of Illinois medical service on September 16.

The campaign will continue through September 30.

According to Joseph Geier, HIA president, the Blue Cross-Blue Shield program has proved so successful since its inauguration here by the HIA, that membership is being offered to a greater number of county residents during this limited period.

During the enrollment campaign, volunteer workers are visiting their friends and neighbors in the county to explain the Chicago Blue Cross-Blue Shield program and its hospital, medical and surgical care benefits, and to accept membership applications.

All residents of the county who are under 65 years of age, and who live on a farm or in a town of less than 2,500 are eligible to join Blue Cross and Blue Shield through the HIA if they are self-employed or work in a group of less than 10 employees.

Both husband and wife must be under 65 to enroll on a family membership, and they may include all unmarried children under 19 years of age on that family membership.

A non-profit, community service program, these Blue Cross and Blue Shield Plans enable farmers, working men and women and professional people to budget for future hospital, medical and surgical care needs on a convenient, prepayment basis.

Membership in the Blue Cross plan for hospital care provides protection against the costs of hospital care by usually covering the costs of all basic and most of the special hospital services received by members in any of the 242 hospitals in Illinois, in 6,000 Blue Cross hospitals in the United States and Canada, and in recognized hospitals abroad.

When the member's own doctor advises hospital care, this Blue Cross plan pays the hospital directly for all hospital services which are established as Blue Cross benefits to which the member is entitled.

This Blue Shield plan helps members pay their doctor bills, which always go with a hospital stay.

"The record of service that these Blue Cross and Blue Shield plans have performed for Lake County residents speaks for itself," Geier said.

"It is the goal of the HIA to make it possible for every eligible resident to take advantage of the outstanding hospital care protection offered by this Blue Shield Plan toward doctor bills."

Local Dairy Farm Receives 'Rating'

BRATTLEBORO, Vt. — Raven-glen Dairy farm near Antioch, Ill., has been classified by an Holstein-Friesian association of America inspector as follows:

Nine "excellent," 18 "Very Good," 22 "Good Plus" and one "Good." Classifier was Robert E. Strickler of Iola, Kans.

The program provides the official means of comparing conformation of living animals with that of the True-Type Holstein cow or bull.

Nearly 45,000 registered Holsteins are inspected and officially classified each year.

Antique Show, Sale Slated Sept. 25-27

WHITEWATER, Wis. — The 8th annual all Wisconsin Antique show and sale will be held at the White-water armory, Whitewater, Wis., on September 25, 26, 27.

Hours Friday and Saturday will be 11 a.m. to 10 p.m. and Sunday 12 noon to 6 p.m.

This show as always will be sponsored by the Wisconsin Antique Dealers association.

It will consist of 20 dealers showing authentic furniture, glass, china, lamps, primitives etc., or anything that one would expect to find at an antique show.

Dairy Herd Improvement Registry, and give dairymen more detailed a new dairy record program design- and accurate records, soon will be ed to lower production testing costs available to purebred breeders.

PRESENTING

The Princess phone

IT'S LITTLE, IT'S LOVELY, IT LIGHTS!

Here's a new extension phone that's dramatically different in size and styling from any you've ever seen before.

It's small—to take up less room on table or desk—lets you have an extension where space is limited.

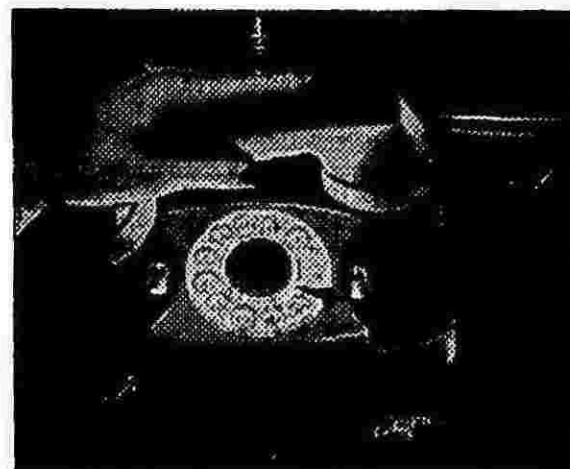

It's modern—for the modern taste that asks for beauty with simplicity. Its low, lovely lines will grace any setting in your home.

The dial lights up. It glows in the dark so you can find it quickly and, when you lift the receiver, lights up brightly to make dialing easy.

You can choose from five popular colors—white, beige, pink, blue and turquoise. To enjoy the modern convenience of the Princess phone, just call your local telephone business office. Or ask a telephone installer.

ILLINOIS BELL TELEPHONE

The Princess phone goes beautifully as an extension...

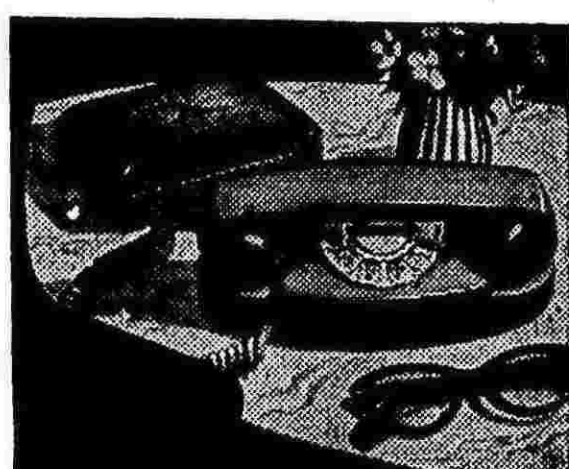

...In the bedroom where the light-up dial is handy...

...In your kitchen to help you run your home...

...In a teen-ager's room to give privacy...

...In the living room by your favorite chair

The Princess phone with dial and night lights built in costs only pennies a day after a one-time charge. Your choice of five colors.

CHANNEL LAKE CHILDREN in the first grade of the school in that community are shown in front of the building before they returned to their classes after a fire drill. This is the first in a series of similar first grade pictures the ANTIOCH NEWS will run from time to time. Shown are James Biggerstaff, Patti Wimbs, Donnie Thompson, Janice Lindblad, Gary Inman, Mike Portalski, Shirley Turner, Patricia Burnett, Wayne Meindirk, Marilyn Young, Chuckie Hameau, Jill Jasmer, Sharon Kalk, Diane Anderson, Suzanne Dieball, Mary Ellen Dowell, Michael Geiger, Rickey Bolton, Edwin Krupo, and Marjorie Scanlan. Not shown is the teacher, Mrs. Dorothy Karczewski.

Louis Portalski Elected Head Of Boat Club

By Pearl Kapell
Channel Lake Correspondent
CHANNEL LAKE — Louis Portalski was elected commodore of the Chain O' Lakes Boat club at a meeting held at the Helvetia hotel in Fox Lake September 12. Louis is driver of the "Greyhound."

There will be a meeting of the Cub Scouts' committee at 8 p.m. Friday, Sept. 18, at the Channel Lake School.

A farewell party for Dan Runyard as he left for the navy was held at the home of Mr. and Mrs. John Runyard on September 13. Attending were the Paul Chases, the Lee McKinnys, the William Chases, the Tom Runyards, Andy Milowski, George Hucker, Pat Koziol and Nancy Lindblad.

Mr. and Mrs. Fred Tuehner of Fort Lauderdale, Fla., visited at the home of Mr. and Mrs. Harry Weiss on Sept. 6 and 7.

Meeting night for the Brownies has been changed from Wednesday to Thursday. They will meet after school.

The leaders and committee of the Brownies will meet at the home of Lucile Eberman on Sept. 21.

Frank and John Bellucci, sons of Mrs. Minerva Bellucci, owner of Aunt Min's Kitchen on Route 173, left Sept. 17 to return to their studies at St. Joseph's college in Rensselaer, Ind.

The Pinochle club met at the home of Mrs. Liess on Sept. 9. Those attending, besides the hostess, were Mr. and Mrs. William Frey, Mr. and Mrs. Robert Hess, Mrs. Harry Weiss and Mrs. Katherine Archer. Mr. and Mrs. Frank Hennig were unable to attend because of Mr. Hennig's recent illness.

This club has never adopted a name. At the last meeting, considering possibilities, several members were in favor of the "Hungry Nine". Like some suggestions? How about the "Pie 'N Ears"? Or maybe you'd

Bed Shortage Problem at McHenry Hospital And How To Alleviate Trouble Discussed

McHENRY — McHenry hospital's bed shortage problem, its proposed expansion to alleviate it and other future plans of the institution were discussed by prominent business men in this area at a luncheon meeting sponsored by the hospital's board of directors.

The meeting was held Sept. 9, at the McHenry Country Club.

Present were: Jack Laures, executive vice-president, Crystal Lake Savings and Loan Association, and Ralph Leonard, president, Radion Corp., both of Crystal Lake; Louis Cernocky, and V. B. Petralia, M.D., of Fox River Grove.

George Alvary, M.D., F.A.C.S., Ralph Bennett, McHenry Heating & Air Conditioning Co., Homer G. Fitzgerald, president, Shur Construction Co., Inc., Lee Gladstone, M.D., John J. Neuharth, executive vice-president McHenry Savings & Loan Association.

Henry B. Tonyman, president, Tonyman Construction Co., and Ben Underwood, hospital administrator, all of McHenry; Kinley L. Engvalson, Engvalson Construction Co., and Ed Lucht, public relations consultant, Ringwood.

JAMES M. LENNON, Lennon Beverage Co., Volo; Joseph A. Conerty, Jr., partner, Joslyn, Parker, Kell & Conerty, Frank J. Green, president, First National Bank and Don J. Still, executive vice-president, State Bank of Woodstock.

Facts and figures cited at the meeting sharply italicized the stress being placed on present facilities by a growing patient load.

Admissions have risen sharply this year, from a low of 98 patients in February to 143 in July.

The July figure is a 40 per cent

like an Indian name "The Squatta's?"

Wayne Onsted, a former resident of Channel Lake, left for service in the marines Sept. 14. A farewell party for him was held at the home of his parents, Mr. and Mrs. Kenneth Onsted, near Cross Lake, on Sept. 14.

Mr. and Mrs. Carl Flowers, of Tucson, Ariz., became parents of a girl, Sally, on Sept. 10. Sally weighed six pounds 13 ounces at birth. Mrs. Flowers is the former Mary Ann Olson. Her mother, Mrs. Dorothy Olson, flew to Tucson Friday to spend two weeks with her daughter. While she is absent, her position as cook at the Channel Lake school will be filled by Mrs. Kay Spencer.

Mr. and Mrs. Joseph Gutowski held open house on Sept. 8 in their new home. Refreshments were served and the afternoon and evening were spent playing games and in general having a good time. About 34 guests attended. Joe and Louise received many gifts.

The monthly meeting of the Channel Lake Community club was held on Sept. 8. Plans were discussed for a membership drive, to be sparked by a party featuring free entertainment and refreshments. The only charge for admission will be that you become a member of the club. The date for the party has not been set.

Private Ted Portalski is at present stationed in Seattle, Wash., receiving training for work in refrigeration. He writes to his family that he finds the work very interesting. He is anticipating a 30 day leave for the Christmas holidays.

A combination 10th birthday party for Kathleen Zeien and farewell party for her brother Joe as he left for the navy, were held at the home of Mr. and Mrs. Paul Zeien on Sept. 13. Kathy had her little friends in early for cake and ice cream and later many of Joe's friends and relatives dropped in to say good-bye. Among those present were the Sven Dahlmans, the Russell Homans, the Henry Kubickie, Grace Ganzer, Andy Milowski, Dan Runyard and Mary Wertz.

increase over the total admitted in July 1958.

Total surgery cases doubled in the past year and in July, 1959 there was an average of four operations a day.

Emergency cases also surged upward. During the first six months of this year there was a 18 per cent increase over the January-June period in 1958.

An average of almost six emergency patients a day were treated during June of this year.

It was reported at the meeting that the hospital's proposed expansion will provide facilities to help meet these growing demands.

PLANS FOR the expansion which are being finalized call for a new building with 18 additional beds.

This will include an eight-bed maternity section, a delivery room, two labor rooms and a nursery with 14 bassinets.

More space will be available for surgery in order to handle the increased load. Adequate kitchen and dietary facilities and enlarged central sterilizing units as well as a larger laundry will also be provided.

Numerous other service and work areas and facilities will also make possible even more efficient hospital operation and better patient care.

Tonyman is president of the hospital's board. Other members are Bennett, Conerty, Engvalson, Lennon, and Drs. Alvary and Gladstone.

The father of American football — and the originator of the "Daily Dozen" physical exercises — was Walter Chauncey Camp.

VA Hospital Needs Male, Female Help

Occupational therapist, supervisory requirements analyst and clerk typists are needed at the Veterans Administration hospital, Downey, Ill.

Graduation from an approved school of occupational therapy is required for occupational therapist paying \$4040 to \$4980 per year depending upon experience.

Three years of experience in supply procedures plus a minimum of one year of supervisory experience are required for the supervisory requirements analyst, \$4040 per year.

There is need for a male clerk typist in communications, starting salary \$3495 per year.

Fred Albrecht and Millie Darby are spending a week with Mrs. Frank Miller at Powers Lake.

Mrs. Frank Miller, Powers Lake spent Tuesday with Mrs. Alex Schubert and Fred Albrecht.

Mr. and Mrs. Joe Schubert, Genoa City visited Saturday at the Schubert-Albrecht home.

TELL ME

Relocation Of Highway 59 In Fox Lake Is Criticized

FOX LAKE — Proposals to change the route of Illinois highway 59 through a section of this village between U. S. 12 and the Milwaukee railroad were scored as hazardous to both drivers and school children and a huge waste of taxpayer's money.

The criticism of the proposals, now in blueprint stage, came in a letter sent by the Knollwood Park Improvement association, to the district engineer, Illinois division of highways, Elgin.

The letter resulted from a recent meeting in the Knollwood subdivision, when 42 lot owners and residents unanimously condemned the highway plans.

It was signed by President Clarence E. Sutton and Vice-president Steve W. Warzak, officers of the association, who were elected Sunday along with Frank McGarvey, treasurer, and Winifred S. Endebrook, secretary.

"The plan calls for straightening one curve, but creates another curve in a questionable location," the letter stated.

"At present there is a straight approach for approximately 150 yards along 59 from the base of an incline to the bridge over the Milwaukee railroad and Rollins Rd.

"YOUR PROPOSAL would remove this straight approach and put a new curve on the incline. This is risky, for there already are a curve and several intersections on the opposite side of the overpass."

"Straightening the existing curve would create a tendency of drivers to speed up for the short stretch of about one-quarter of a mile, only to have to slow down for the U.S. 12 and 59 junction or for the overpass

and intersections beyond it," the letter continued.

"This speed-up would be within the village limits of Fox Lake through an area primarily residential.

"The dubious project could only be accomplished at huge expense. It would need special roadbed work over soft soil, and the acquisition by the state of numerous lots or portions, including several on which residences are located."

Eliminated by the proposed re-routing of 59 would be a protected off-highway area used for loading school buses in the subdivision.

"The present curve on 59 is not sharp, but is long and flowing," the letter pointed out.

"PROPER SURFACE maintenance of this stretch to eliminate a bump and dip — improvements long overdue — would be welcome, plus sensible long-requested 35 mph speed limits in place of the 50 mph speed now posted for the Fox Lake village stretch."

"We have also sent a copy of the letter to the village of Fox Lake, which seems to have indicated a good interest in road safety in the past," said Sutton.

Village President Joseph Armondo advised the association last week it would post speed limit signs in Knollwood Park to safeguard children playing.

A complaint also was received at the Knollwood association meeting that state highway workers had left ungarded two road graders, with motors running, directly in front of a group of children waiting for the school bus.

Two boys who approached the machines were chased away by residents.

Drivers' Licenses Suspended, Revoked

Revocation and suspension of several drivers' licenses in this part of Lake county were announced this week by the drivers' license division at Springfield.

They included the revocation of the license of John W. Cagney, 22 Lotus, Antioch, and Masako, Rt. 1, Box 89, Ingleside.

Suspensions included James W. Kloth, Rt. 2, Sand Lake, Lake Villa; Joseph Dokman, 230 N. Highmoor Drive, Round Lake; Robert J. Duhs, Rt. 2, Antioch; Nick E. Grimaldi, 1417 N. Lake Shore, Round Lake.

School Dance Dated

First dance of the school year at Antioch Township high school will be held this week Saturday evening following the football game between the Sequoias and the Wilmot Panthers at Antioch. The dance is to start in the girl's gym about 15 minutes after the final game whistle.

Error Corrected By Social Security

A correction in a news story printed last week by the Antioch News about retirement age was given this week by the social security administration office in Waukegan through manager Bernard Barnett.

The new release said:

"We wish to correct our error which appeared in the Antioch News last week in regard to a social security news release.

"The release indicated that after the age of 62 there was no limit to earnings.

"This is not correct. It should have stated that after the age 72, there is no limit to your earnings.

"If our error has caused any misunderstanding, please write us requesting information about earnings tests.

"Write to Social Security Administration, 1515 Washington St. Waukegan, Ill."

WHAT'S THE STORY ON THE NEW FORD FALCON?

Come in and we'll
tell you all we know!

HOW BIG WILL THE ALL-NEW FORD FALCON BE? HOW MANY PEOPLE WILL IT CARRY? HOW ABOUT POWER? To start with, in the New-Size Ford—the Falcon—you save but never "do without!" You get modern, fine-car styling, six-people room and comfort, a car that's born and bred for the American road!

LET'S TALK ABOUT STYLING FIRST!

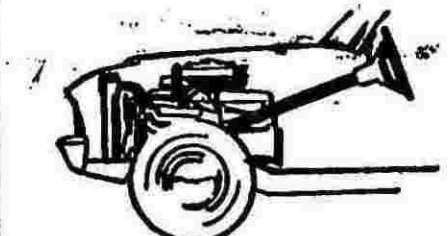

You'll be amazed by the Falcon's beauty. No "stubbiness" of other cars in this field, but low, sleek, European flair in beautifully proportioned style... "wide open" visibility all around... interior styling that's fresh and smart. The Falcon is Ford's way of proving a true economy car needn't suffer in looks or ride.

LET'S TALK ABOUT THE ALL-NEW FALCON'S SIX-PASSENGER SIZE!

In both 2- and 4-door models, the new Falcon will have full-width, full-depth seats for six adults. Plus room in the spacious

trunk for all their luggage! And it can turn and park just as easily as most of those 4- and 5-passenger imported jobs!

LET'S TALK ABOUT HOW IT'S BUILT!

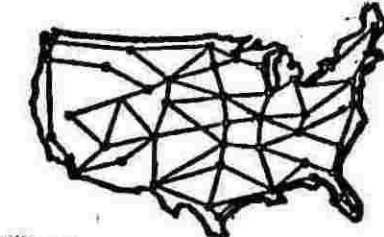

Like the fabulous Ford Thunderbird, the Falcon's built in the latest single-unit construction... adding extra inches everywhere inside... making the car one solid, quiet, integrated structure.

LET'S TALK FALCON PERFORMANCE!

The all-new six-cylinder engine's up front for greater safety and stability... will deliver up to 30 miles per gallon of regular gas... has a water-cooled engine which permits use of a water-type heater that's safer, never robs you of gas mileage. You can get an automatic transmission in the Falcon, too!

AND NOW... ABOUT THE FABULOUS FALCON EXPERIENCE RUN, U.S.A.!

Topping off 3 years and 3 million miles of research and development, a fleet of new Falcons is traveling every mile of U.S. highway to prove its "30-miles-per-gallon" average... and to prove it takes to the roads you

drive, right around your home, like a duck takes to water!

YOU MEASURE THE FALCON'S SAVINGS IN MANY MORE WAYS THAN GAS AND OIL SAVINGS ALONE!

Take the price. Though we can't give you the figure just yet, you can be sure the Falcon's price will help prove it's the savingest car, right from the start! Actually, we've just started to scratch the surface of the Falcon news, here. Come in. Bring all your questions, but make it soon. We have many orders in already.

Truman To Speak At A Party Rally

SPRINGFIELD, Ill. — Former President Harry S. Truman will be the key speaker October 8 at a Democratic rally to mark the start of the 1960 election campaign in Illinois.

William T. Lodge, Monticello, president of the Democratic county chairman's organization of Illinois, and James A. Ronan, chairman of the Illinois Democratic state central committee, said the \$25 per plate dinner gathering at Hotel St. Nicholas will be "an official kickoff for the 1960 campaign."

James R. McLaughlin, of Mt. Vernon, chairman of the planning committee, announced arrangements have been completed to accommodate 750 persons at the affair.

AMERICA'S MOST LOVEABLE LADDIE

Nancy Bailitz and David Runyard Wed in a Double Ring Ceremony

By Pearl Kapell

CHANNEL LAKE—Miss Nancy Bailitz and David Runyard were united in marriage with a nuptial mass at 10 a. m., Sept. 12 at St. Peter's Church.

The double ring ceremony was performed by Father Francis Johnson. Florence Eckert was soloist for the service and Mrs. McGreal the organist.

The bride wore a gown of white imported chantilly lace over net. A crown of seed pearls and iridescent sequins held the finger-tip veil, and she carried a white prayer book with a bouquet of white phalaenopsis orchids.

The maid of honor, Miss Agnes Pleviak, wore a gown of pink chiffon over net, with a lace jacket.

The bridesmaids, Miss Katherine Runyard, sister of the groom, and Mrs. Joan St. Clair, had gowns of pale blue chiffon over net with lace jackets. The bride's attendants carried colonial bouquets of roses and carnations.

George Hucker served as best man, and Daniel Runyard, brother of the groom, and George Bailitz, brother of the bride, were ushers. The two little flower girls, Susan and Lou Ann McKinney, nieces of the groom, wore gowns of pale green chiffon with lace jackets.

Mrs. Henry Bailitz, mother of the bride, wore a dress of blue taffeta. Mrs. Thomas Runyard, mother of the groom, had a gown of brown lace over turquoise. Both wore corsages of phalaenopsis orchids.

After the ceremony, a reception was held at the home of the bride's parents, Mr. and Mrs. Henry Bailitz of Buena Park, Lake Villa.

The open house began at noon and lasted well into evening, with refreshments served buffet style. Many friends and relatives came

and went during the day, both Rev. Johnson and Rev. Alfred Henderson stopping briefly to wish the bride and groom well.

Nancy's maternal grandfather and grandmother, Mr. and Mrs. Hanson of McHenry, were present, as was her paternal grandmother, Mrs. Greve of Chicago.

David's grandfather, Fred Runyard, 81 years of age, also attended.

As the "something old" of tradition, Nancy carried a small cross presented to her great grandmother by her godmother 87 years ago on the occasion of her first communion. "Something new" was her earrings of tiny seed pearls presented to her by her mother.

"Something borrowed" was a string of pearls borrowed from Kathy Runyard. "Something blue" was her blue garter.

The day was beautiful, the bride and her gown lovely, the groom handsome and happy, the guests had a delightful time and everything went as planned.

The kind of wedding brides—and their mothers—dream about.

The young couple will have a week's honeymoon at Post Lake, and will return to a home in Felter's Subdivision.

Our modern pharmacy has a great variety of health needs for the entire family. prompt, personalized prescription service!

Trevor Visitor Goes to London Via Airplane

By Grace Miller
Trevor Correspondent

Mr. and Mrs. Dennis Cooper of Madison spent Saturday and Sunday with his home folks, the Coppers.

Mrs. G. Nelson entertained 18 members of her family on Sept. 6, it being her mother's, Mrs. Hattie Curtiss birthday.

Mr. and Mrs. Fred King of Evanston were dinner guests at the Nel Runyard home Wednesday.

Mrs. Robert Moldenhauer (nee Tillie Wienke) of Stanley, Mrs. Augusta Franke and daughter of Kenosha and a relative of Buffalo, N. Y., called on Miss Mary Sheen Monday evening.

Mrs. Grace Measures, who has been visiting her sister, Mrs. Nel Runyard for three months left from O'Hare airport in Chicago at 2 p. m. on Thursday and arrived in London at 8 o'clock the next morning.

She made the usual necessary visit to the internal revenue department in Chicago on Tuesday before departing.

Mrs. Florence Dexter spent Wednesday at the Twin Lakes post-office.

Mrs. Howard Schultz, Jim and Joan, spent Friday in Kenosha with her mother, Mrs. Staudinger and called on Mrs. Ed Maurer.

Mr. and Mrs. Lloyd Miller attended the wedding of Judy Sheehan and Robert Paulson at St. Peter's church in Antioch Saturday and also the reception in Lake Villa.

Mr. and Mrs. Eugene Runyard of Waukegan entertained at Smart's Country House for Mrs. Nel Runyard and Wilson, it being his birthday. Stanley Runyard and family of Waukegan were members of the party.

Mrs. Florence Dexter and Mrs. Mary Nelson attended the dedication of the post-office at Casey, Ill. and was a guest of the postmaster, Mr. Russell Jones, on Sept. 12.

Mrs. George Nelson visited Mrs. Arthur Hawkins of Antioch on Wednesday.

Mrs. Minnie Sheen and Mrs. Grace Miller were Thursday afternoon visitors at the home of Mrs. Margie Schaeffer near Kenosha.

Mr. and Mrs. Don Bedore and daughter, Kristy, of Kenosha called at the Willis Sheen home Sunday afternoon.

New Car Awarded
